

DYKE BREAK BRINGS SMALL RELIEF FOUR FLYERS KILLED

LIGHTNING KNOCKS PLANE INTO WATERS OF CHESAPEAKE BAY

Believe Bolt Struck Fuel
Tanks—Search For
Victims

NORFOLK, Va., April 30.—The loss of a naval seaplane with four men, two officers and two mechanics, was written into navy records today as "an act of God."

A bolt of lightning struck the plane in mid-air late yesterday and sent it hurtling into the choppy waters of Chesapeake Bay, carrying to death Lieut. Victor F. Marinelli, of Washington, Lieut. George W. Lehman, of Warsaw, Ind., and George M. Michaels and L. E. Poyner, aviation machinists mates. None of the bodies had been recovered today.

The plane was one of a V-formation flying to Norfolk from Philadelphia. Over Matthews, Va., a thunder storm was encountered. Suddenly there was a flash of lightning, and the plane piloted by Lieut. Marinelli was seen to be hurtling earthward in flames.

The other planes dived and circled over the spot where the stricken plane crashed but only saw scattered wreckage, which soon sank.

The tender "feet" was sent to the scene and was still searching the waters this morning. Lieut. P. J. Byrne, who was flying in a plane immediately behind the stricken one, declared the lightning bolt must have hit the fuel tanks. There was a puff of smoke, he said, and then the ship went into a straight dive.

DE PINEDO'S PLANE ARRIVES FOR FLYER TO CONTINUE TRIP

Will Fly Over U. S. Before
Start Of Home-
ward Trip

NEW YORK, Apr. 30.—Commander Francisco De Pinedo's new Italian airplane, in which he will continue his inter-continental flight, arrived from Genoa today upon the liner Duilio, accompanied by a corps of mechanics who will assemble the plane on Staten Island. The new machine, a hydro-plane, replaces the one which was accidentally destroyed by fire at Roosevelt Lake, Arizona, a few weeks ago.

Commander De Pinedo, in an address here, predicted non-stop flights around the world in the near future which would be made in four days or less.

At the same time he made public his plans for the continuance of his return flight to Rome. He announced that he will fly from Mineola, N. Y., to Boston, Chicago and other points in the United States before his trans-Atlantic flight from Newfoundland to the Azores. From the Azores he said he would fly to Portugal, thence to Rome.

Commander De Pinedo said that seaplanes are best for long distance flights because of easier landing conditions. He predicted regular trans-Atlantic flights between Europe and the United States on strict schedules.

He urged airplane manufacturers and others interested in the commercial development of aviation to concentrate on the development of airplane engines and accessories. With perfection of engines and development of accessories, he said a non-stop flight around the world will come in a comparatively short time.

GENERAL SERRANO WILL BE CANDIDATE

MEXICO CITY, April 30.—Gen. Francisco Serrano, governor general of the federal district, will be the national revolutionary party's nominee for president of Mexico in the national election next year. He was nominated late Friday and immediately accepted the nomination. Three other names were put up—those of General Arzulo Gomez, former minister of interior; Gilberto Valenzuela, former minister of education, and Jose Vasconcelos—but Gen. Serrano got a majority of the ballots.

The convention refused to consider former President Obregon on account of an adopted resolution pledging the party against the reelection of presidents.

FIRE DESTROYS GRAIN ELEVATOR

ESTIMATE \$10,000 LOSS SUSTAINED AS FORMER DEWINE CO. MILL BURNS

Flames Starting In Cupola Gut Buildings While
Firemen Save Near-by Residences—New Owner
Had Made One Payment On Mill

Loss estimated at \$10,000 was caused by fire that destroyed a grain elevator and flour mill at Bellbrook Ave. and Charles St., formerly owned by The DeWine Milling Co., early Friday evening.

The greater part of the loss is sustained by The Home Building and Savings Co., which had obtained the property less than a year ago through mortgage foreclosure proceedings.

Arrangements had been made for the sale of the property to Willard Jackson, Belmont, for \$9,000, and he had made one down payment. His loss will amount to about \$1,500 including \$1,000 worth of machinery recently installed. The deed had not been transferred. The loan company's loss is partially covered by insurance.

The blaze, originating in the cupola, is thought to have been caused by an overheated bearing in the elevator head. Discovered at 6:30 p. m., it was blazing fiercely and had gained rapid headway when firemen arrived.

The flames could not be reached by hose lines until the blaze had eaten its way into the tin roof of the three-story structure. The fact the buildings were of iron-clad frame construction prevented firemen from reaching the interior blaze with water.

A strong south wind prevailed and so intense did the heat become that the flames could not be fought from the south side and more than 1,500 people attracted to the scene, were forced to retreat.

Unable to check the flames, firemen directed their efforts to preventing a serious spread of the blaze. Buildings on the south and west sides of the street are all of wood and the fire would have had little difficulty, with sparks showering nearby roofs, if it had not been beyond control of firemen.

Residents menaced by sparks for a time were: Douglas Sheets

OPPOSING COUNSEL UNABLE TO ARRANGE SAPIO TRIAL DATE

Attorneys Agree To Second
Conference On
July 1

DETROIT, April 30.—The conference between opposing counsel in the \$1,000,000 Ford-Sapiro libel suit and Federal Judge S. Raymond broke up today without a date having been set for a new trial.

A second conference was arranged on the question, July 1, when the summer term of federal court opens, indicating that the second trial will not get under way until September or October.

Attorneys for Henry Ford, Stewart Hanley and C. B. Longley, who bitterly opposed Sapiro's plea for an early retrial, scored a victory in the postponement of a definite date.

William H. Gallagher, counsel for Aaron Sapiro, so-called "wheat king," who claims articles in the Dearborn Independent, a Ford organ, damaged him greatly, pressed for the earliest possible date. Gallagher even offered to share the expenses of the jury. There is no money available to pay another jury panel because of the failure of congress to enact the second deficiency appropriation bill.

Gallagher cited a number of reasons why his client wished the case proceed with the utmost dispatch. Many of the witnesses Sapiro expects to call are from farming communities, he said, and a delay until fall when the work is heavy, might prevent their appearance on the stand. He further pointed out that two of Sapiro's co-operative marketing contracts with tobacco growers expire soon and unless the Ford charges are disposed of the plaintiff's interests might suffer.

RELIEF FUND PASSES FOUR MILLION MARK

WASHINGTON, April 30.—The flood relief fund of the American Red Cross passed the four million mark today.

Contributions up to 10 o'clock today totaled \$4,176,750, of which Eastern states contributed \$2,566,000; mid-western, \$1,118,000 and Pacific states \$392,750.

MAJOR ARRESTED

CLEVELAND, O., April 30.—The twelfth arrest since the probe began, was recorded today in connection with payroll padding in Ohio National Guard units, following arrest of Major W. S. Chalmers, of Ashland, on charges of forgery late yesterday. Chalmers, who was an officer of the 145th Infantry, O. N. G., pleaded not guilty when arraigned before U. S. Commissioner M. J. Monahan. He was released under \$5,000 bond.

IMMENSE CROWD SEES FLAMES DESTROY MILL

Flames had eaten their way from the cupola into the third floor of the old DeWine Milling Co. elevator and mill at Bellbrook Ave. and Charles St., when this photo was taken about 7 o'clock Friday evening. The picture shows flames shooting skyward and how the iron-clad framework forced firemen to attempt to reach the fire with water lines through the windows. A section of the huge crowd that watched the spectacle is also shown.

"MOMSIE" RESTS AS HECTIC SNYDER MURDER TRIAL MARKS TIME DURING SUNDAY RECESS

OHIO HIGHWAY CONSTRUCTION HALTED BY EMPTY TREASURY

George Schlesinger Says State Lacks Funds To
Pay Contracts Still Unfinished—Work
Held Up Until August

COLUMBUS, O., April 30.—Because there is no money in the state treasury today with which to pay for new highway construction, road building in Ohio, which has been at a standstill since last fall, cannot be resumed before August, or September, next, according to George F. Schlesinger, state highway director.

Schlesinger said that the state has not more than \$800,000 with which to take care of a \$1,200,000 indebtedness which will be due on highway contracts, now unfinished.

Federal aid funds, totaling about \$5,000,000, for new highway construction will become available July 1, provided the state or the various counties in Ohio make provision for expenditure of an equal amount.

Schlesinger hopes that action by the legislature when it reconvenes May 9, next, will permit the state highway department to resume the letting of contracts as early as possible next fall for construction of new highways.

Proceeds from the two-cent state gasoline tax and from the state auto license fees, Schlesinger said, will permit highway maintenance and repair to continue uninterrupted.

The present financial situation, Schlesinger pointed out, will not interfere with the carrying out of Governor Vic Donahey's policy of constructing gravel roads, which will be paid for from the gasoline tax and auto license fee funds, and from a \$2,500,000 fund provided for in the general appropriations bill, covering state governmental operations during the 18-months' fiscal period beginning July 1, next.

FREED OF MURDER OF STEP-FATHER

LONDON, O., Apr. 30.—Melvin Turner, 40, Mt. Sterling, was freed today, following his acquittal in the first degree murder charges. Turner had been indicted for the killing of his step-father, Henry Beathard, Mt. Sterling constable, in February.

Beathard had been slugged and robbed of \$250 as he sat in his home. The robbery was reported by Turner, and the money found later in a shed at the Beathard home.

Turner, who was charged with the murder, was acquitted after a trial lasting three days. He was found not guilty by a jury of 12 men.

Turner's attorney, Earl Kruger, Perry reserved the right to attack the indictments later.

DIRTY SHAME! LITA GETS ONLY \$1,500 A MONTH

LOS ANGELES, Apr. 30.—Lita Grey Chaplin, wife of Charles Chaplin, movie comedian, planned today to skip along on \$1,500 monthly alimony.

Judge Walter Guerin decided that sum was sufficient even for the wife of an internationally known motion picture star. Mrs. Chaplin testified, however, that \$3,275 was a meagre monthly budget.

The award was made retroactive to January 10. The judge also granted \$5,623 for attorney's fees and other legal expenses and a payment of \$320 a month on her automobile.

Although Chaplin's attorneys closely cross-examined the young wife regarding items in her household budget, there was no indication today that the comedian will contest the award.

Mrs. Chaplin was expected to give notice today to several of her servants in consequence of the curtailed alimony grant.

At the hearing, Lita said she was accustomed to a retinue of nine domestics. In an emergency, however, she said she could "rough it" with only a nurse, a housemaid, a cook, a chauffeur, a personal maid and a butler.

Chaplin's attorneys questioned the need of a butler, but did not make the matter an issue.

On May 24 Mrs. Chaplin will appear before a notary public to give her deposition on charges contained in her petition for divorce.

BREAK IN ARKANSAS OFFSETS ADVANTAGE OF LEVEE BLASTING

Rampaging Mississippi Fails To Fall Appreciably—
Situation Above Baton Rouge Dangerous—
Arkansas Hard Hit

NEW ORLEANS, April 30.—Despite the blasting of the levee at Poydras yesterday and continued dry weather over the entire flooded area, little improvement was noted today in the official reports of relief workers throughout the five hundred mile stretch of stricken Mississippi delta country.

The Poydras crevasse opened a new channel south of New Orleans but this morning, fifteen hours after 800 pounds of dynamite had been exploded in the river wall, the spillway was only a little more than 150 feet wide. No further blasting will be necessary engineers in charge said, but the cut will be watched carefully for several days in the hope that the in-rushing waters will sweep out a wider channel.

The river fell one-tenth of an inch at New Orleans during the last twenty-four hours. Virtually offsetting whatever relief had been gained at Poydras, however, was a break in Arkansas at South Bend which added thousands of acres to the 11,000 square miles of inundated territory throughout the Mississippi valley. The South Bend break had been fought off with sandbags and emergency abutments since Monday.

The continuing rise of the Red River at both Shreveport and Alexandria, Louisiana, barred the levee defenders above Baton Rouge that the crest of the Red River flood still was above the weakened levees at Angola, where a critical situation has prevailed since Wednesday. Shreveport recorded a rise of three-tenths of an inch and Alexandria five tenths during the past twenty-four hours.

The crest of the Mississippi main channel past Vicksburg Friday afternoon, recording a rise there of more than half an inch and confirming river engineers in their apprehension that the Mississippi and Red River crests would meet in the vicinity of Angola. Fears for the Angola levees.

Several hundred persons remaining in St. Bernard and Plaquemines Parishes when the Mississippi began to cascade into the new territory were being carried under the danger zone today by a special river patrol under the direction of New Orleans civic organizations. More than 4,000 citizens of the territory sacrificed to the security of New Orleans were encamped here today.

PINE BLUFF, Ark., Apr. 30.—Evacuation of practically every small town in southeastern Arkansas was under way today as motor boats and trains rushed people to safety before the rushing torrents of the Arkansas River, let loose by a levee break near South Bend.

Five counties—Chicot, Desha, Ashley, Lincoln and Drew will be flooded from the new break, as will three Louisiana parishes—East and West Carroll and Moorehouse. Hundreds fled their homes today. A relief train left Gould, Ark., a few hours after the break, loaded with flood refugees. The already flooded towns of Duman, Tillar, McGhee, Arkansas City, Gould and Lake Village will receive from three to five feet more of water.

The plantation of Gov. Lowden of Illinois, in Chicot County, Ark., regarded as one of the most beautiful in the state, will be flooded, as it lies directly in the path of the rushing torrent.

MEMPHIS, Tenn., Apr. 30.—The main Mississippi River levee at Glascock, La., was near breaking this morning, according to a report received here by government engineers.

If the break occurs it will relieve the situation from Baton Rouge southward, it was said.

Representatives of Dr. Sacasa are expected to arrive in Managua either during the weekend or early next week, when it is expected peace negotiations will open.

General Francisco Parajou, who lead the Liberal forces in the attack upon Chinandega last February, is reported to have been killed in fighting near Teustepe.

CLEVELAND, O., April 30.—Ten days following the suicide of his wife, Ida, 19, a bride of only a few weeks, Joseph Glazer, 37 today was nursing a sore ear, as a result of a bullet wound inflicted last night when an unknown assailant fired upon him near his home.

Police are seeking a woman, who, they say, threatened Glazer several months ago. This woman was arrested following the death of Mrs. Glazer, but was released on that occasion after being questioned.

PARIS POLICE FIND
REVOLUTION BAND

PARIS, Apr. 30.—The police have discovered the existence of an organized band of 500 Spaniards and 1,000 Italians which has been engaged in revolutionary efforts here, it was stated by the Petit Parisien today.

The newspaper stated that the police have confiscated 600 bombs and are searching for further weapons. No arrests have been made.

Any hopes that may have been entertained of a peace between the Hankow government and Chiang now seem to have gone aglimmering. Chiang is reported as intending to push his victories to the fullest extent and to drive out the extremists in Hankow.

Hankow is reported to be greatly excited and grave fears are felt of Chiang's eventual capture of the city. Some of the richer Chinese citizens are reported to be already in flight.

Reports declare that Chiang has inflicted severe defeats upon the troops supporting the Hankow government. The Hankow troops are reported to be poorly equipped and without strong leadership and thus far have offered but little resistance.

MISSIONARY TEA AT PRESBYTERIAN CHURCH

One of the largest meetings enjoyed by members of the Women's Missionary Society, First Presbyterian Church, during the year was the "missionary tea" held in the church parlors, Friday afternoon.

The parlors were given a home-like appearance, with beautifully shaded lamps and bouquets of spring flowers. Mrs. A. C. Mesinger had charge of the decorative period and had as her subject, "Quiet Periods of the Soul." She brought out the point that the loss of spirituality today is because of the lack of time for meditation.

Mrs. Charles Ryan Adams, Springfield, Presbyterian president, gave the principal talk of the afternoon. She spoke of the Golden Jubilee at Dayton, May 12 and then went into her subject, "The Great Movements of Today and Their Relation to Christianity." Her points were interestingly given and her address was well received.

Mrs. D. D. Jones gave a reading, "Wilkie's Unpardonable Sin," which was a delightful feature of the program. Two vocal solos were given, the first "Four Men's Gardens," by Mrs. Arthur V. Perrell and the second, "The Prayer Perfect," by Mrs. James Wilson.

Refreshments were served after the program, with Mrs. Leila Cooley and Mrs. W. E. Cox pouring tea. Officers of the local society served as hostesses for the meeting. Forty or more women of the church attended the affair.

PRESBYTERIAN WOMEN EXPECTED TO GO TO MEET

Many local women will be in attendance when the Dayton Presbyterian Society of Missions holds its fifteenth anniversary jubilee in Westminster Church, Dayton, May 12 and 13, according to leaders here interested in the success of the gathering.

Miss Florence White, Clinton, is a vice president of the society. Mrs. Reed Madden, W. Church St., and Mrs. Paul Espy, N. Detroit St., head local auxiliaries. Forty-seven auxiliaries compose the Dayton Presbyterian Society.

Mrs. Charles K. Roys, New York City, executive secretary of the Board of Foreign Missions of the Presbyterian Church, will deliver an address. Another principal speaker will be Mrs. Dexter N. Lutz, Union Christian College, Puyang, China, who is on furlough. Reports of the work of local auxiliaries will be heard.

An interesting and impressive feature of the two day jubilee will be a memorial service honoring the women who pioneered in missionary work in the Dayton Presbytery. Dinner will be served in Westminster Church, Thursday evening and luncheon, Friday noon.

W. C. T. U. CARRIES OUT PART OF FRIDAY PROGRAM

For the benefit of about twenty-five people, who had braved the inclement weather to witness the exercises, a portion of the scheduled Arbor Day program of A. C. Turrell W. C. T. U. was given as planned in Shawnee Park late Friday afternoon.

The complete program could not be given and was postponed until a later date. Mrs. A. C. Turrell read the 146th "Crusade Psalm" while Mrs. E. H. Caruthers led in prayer. The program closed with Mrs. W. O. Cusis, W. C. T. U. president, reading a list of names of the early temperance crusaders.

This list, compiled since 1864, contained thirty names and is incomplete. Any helpful information or additions of names to the list will be welcomed by the organization.

SPECIAL PROGRAM OF MUSIC AT EPISCOPAL CHURCH

Partly in observance of National Music Week and arranged in honor of the Rev. B. H. Belcher, columnar, archdeacon and executive secretary of the Episcopal diocese of Southern Ohio, the choir of Christ Episcopal Church, will present a special program at the Sunday morning service.

The program will be as follows: Prelude, Sanctus, Stainer; Choral, Mrs. Rutherford, organist.

Welcome Happy Morn. Danks; The Lord Is In His Temple, Danks; Kyrie, Danks; Gloria Tibi, Paxton; Beatitude, John Dykes; King of Kings, Simper; Sanctus, Cruickshank; St. Agnes Hymn, Dykes; Gloria In Excelsis, Elwanger; Benediction, Hopkins; Recessional, Come Ye Faithful, Sullivan; Van.

DINNER PARTY GIVEN HONORS CHOR MEMBERS

As a token of her appreciation for the co-operation of the choir of Christ Episcopal Church, Mrs. Charles W. Adair, leader, entertained the members with dinner at the Parish House, Friday evening.

Besides the choir members, the choir "mother," Mrs. Anna Horen, the Rev. and Mrs. C. O. Nybladh, and the organist, Mrs. Alice Rutherford, were entertained. The tables were decorated with lighted tapers and spring flowers in pastel shades. The dinner, prepared and served by Mrs. Adair, included many delicious viands.

SEWING CLUB MEMBERS ENTERTAINED ON FRIDAY

Members of the Busy Twelve Sewing Club were delightfully entertained by Mrs. Fred Coy at her home on W. Second St., Friday afternoon.

After a few hours of needlework, a contest was enjoyed in which Mrs. Charles Haas and Mrs. Floyd Elson were winners. Guests were then invited to the dining room where clever favors were at each cover. A bowl of yellow snapdragons and fern formed the center piece on the table. A dainty luncheon was served by the hostess.

CHURCH DINNER IS ATTENDED BY CONGREGATION

Two hundred members of the First Reformed Church, attended a dinner Friday night at the church given by women of the congregation, losers in a recent attendance contest, for the men members, the contest victors.

A covered dish dinner was served by the women at tables decked with pansies and lilacs. During the dinner course, Mrs. R. E. Dunkel, as captain of the hostesses, toasted the men guests and Mr. Emil Eichman responded for the men.

Dinner was followed by a play and a varied program of entertainment. Those taking part in the play were Mrs. Clarence Fisher, Mrs. Leonard Covault, Mrs. Russell McPherson, Mr. T. C. Long, Mrs. M. L. Wolf, and Miss Mary Nell Dunkel.

Mr. and Mrs. Homer Jacoby and Miss Mary Jacoby, Ashley, O., and Mr. and Mrs. Ralph Jacoby, Columbus, O., are spending the week-end with Mr. and Mrs. J. B. Mason and Mrs. Mina Oglesbee, south of Xenia.

Mr. H. E. McKinnon, Springfield, underwent a tonsilectomy at the offices of a local physician, Friday.

Members of Obedient Council, No. 160, D. of A., who are planning to take part in the memorial service at the district rally, May 5, are asked to meet at the lodge hall, Tuesday evening, at 7:30 for team practice.

Mr. Paul Hook, former Xenian, who attends the Palmer School of Chiropractic, Davenport, Ia., with Mrs. Hook, arrived in Xenia by motor Saturday morning for a week's visit here. They will spend part of the time with Mr. Hook's parents, Mr. and Mrs. Thomas Hook, 22 Main St., and in Greenville, O., Mrs. Hook's former home.

First auxiliary of the Women's Home Missionary Society of the First M. E. Church will meet at the home of Mrs. C. S. McDaniel, Upper Bellbrook Pike, Tuesday afternoon at 2:30 o'clock. Members are asked to bring their Lenten offering.

All members of the Zanetta Council, D. of P., are asked to meet Monday evening for team practice. Refreshments will be served.

Children of Orient Hill School will present a program at the regular meeting of Orient Hill P. T. A., Monday afternoon. Mothers of the community are urged to attend the meeting.

Miss Edna Snyder, Chillicothe, O., is the week end guest of Miss Geneva Smith, W. Third St.

Mrs. Margaret Reynolds, N. King St., who has been at Miami Valley Hospital, Dayton, several weeks, following a serious operation, is expected to return home, Sunday.

Mrs. J. E. Tierney and two daughters are visiting Mrs. Tierney's parents, Mr. and Mrs. Clark Poland, W. Third St. Mr. and Mrs. Tierney are moving from Bellefontaine to Sidney, O., where Mr. Tierney has taken the position of sales manager for the Chrysler automobile agency.

He has been employed as salesman at Bellefontaine. Mr. Tierney will join his family Sunday and they will move to Sidney next week.

Messrs. Leroy Henshaw and Herbert Patterson, this city, will spend Sunday in Richmond, Ind., with Mr. Henshaw's relatives.

Miss Elizabeth Piper and Miss Mary Elizabeth McDorman, N. King St., are spending the week end with Miss Elizabeth Bickett and Miss Irene Parrett, at Western College, Oxford.

Mrs. Curtis Grossman has resigned her position in the offices of the Xenia Shoe Manufacturing Co., and is leaving Sunday for Cincinnati to join Mr. Grossman, who is taking a course in electrical work in that city.

Mrs. J. H. Whitmer arrived in Xenia Thursday night, being notified at Cleveland, enroute to New York, of the death of Mr. W. L. Ekin. Mrs. Whitmer was enroute to New York with Mr. and Mrs. W. H. Fulghum, Cincinnati.

Mr. C. L. Jobe, who has been confined to his home on E. Market St., the past three weeks, is gradually improving. His condition is thought to be caused by a complication of ailments.

Mr. and Mrs. Arthur Reynolds have established their home in this city and are occupying an apartment at the Reynolds home, E. Church St.

MONDAY LAST DAY

County Auditor's office issued a warning Saturday that Monday, May 2, is the final day upon which tax-payers can legally file their personal property tax returns and be eligible for the \$100 family exemption.

With the deadline approaching, returns are coming in more rapidly.

OPTOMETRISTS MEET

The Ohio State Optometric Association, Columbus, announces arrangements for a meeting of optometrists from Montgomery, Preble, Greene, Darke, Miami, Clark and Champaign Counties at Grey Manor, Dayton, on the evening of May 4. In the afternoon the wives, mothers, sisters and daughters of the optometrists will meet in an auxiliary in attendance of the state convention of the Ohio State Optometric Association, which will be held in Dayton in June. It is expected that 500 persons will attend the convention. Dr. S. C. Philbrook, of Piqua, is governor of the zone.

RETAIL GROCERS DISCUSS PLAN FOR ORGANIZATION IN XENIA

Two hundred retail grocers from the territory served by the Xenia branch of The Eavey Co., wholesale grocers, were acquainted with plans for local organization of the Independent Grocers Association, for co-operative buying among wholesale and retail grocers at prices calculated to meet the menace of chain store competition, at a meeting at the Elk's Club Friday evening.

H. E. Eavey, president of The Eavey Co., discussed what the future holds for retail grocers if the chain store system continues its rapid growth of past years. The Xenia wholesale firm is promoting the organization of the I. G. A. in its territory out of Xenia and Richmond, Ind., branches. Mr.

Eavey informed the grocers that already 150 retail grocers in the company's territory have already signed up for membership. Advantages of becoming members and future plans entertained for the new venture, were explained in detail by J. J. Miller, representative of the national association from its Chicago headquarters. He predicted that within the next few months the national association will boast 200,000 retail grocers, allied against chain store competition. The new plan, it was asserted, provides for a standard arrangement and color scheme for all association members. James Bros. grocery, E. Market St., is the first retail grocery in Xenia, to adopt the new plan, it was announced at the meeting.

Halliburton—Royal Road to Romance. Some day I am going to fulfill a favorite dream of mine, and when I do, I know that I will want to shout out loud about it. Perhaps I may exaggerate the joys I've had a little, but you all will envy me my fulfilled dream—the dream—you ask. Yes, my dream to wander.

That is why my sympathy and my admiration both go out to Richard Halliburton. He has achieved, while I have only dreamed. With only the clothes on his back and a few pennies in his pocket, this young Princeton graduate set out upon the Royal Road to Romance. And it was both a royal road and one of romance and the young man who followed it was a prince in disguise, a prince of story tellers. At times he seemed

COUNTY JAIL GETS EIGHT PRISONERS ON FEDERAL CHARGE

Eight federal prisoners, recently sentenced to terms of imprisonment ranging from five to sixty days for violations of the prohibition laws by Federal Judge Benson Hough in United States District Court, Dayton, were received at the Greene County Jail to begin serving sentences Saturday noon.

The prisoners were turned over to Sheriff Ohmer Tate by Deputy United States Marshal John Theobald, Cincinnati.

This allotment to the local jail increases the number of federal prisoners confined here to sixteen, and jumped the jail population to twenty-six, four short of its capacity, and the greatest number of prisoners confined at any one time since Sheriff Tate assumed office in January.

Federal prisoners received Saturday and their terms of confinement, are:

John A. Wilmer, five days; Arthur Hawkins, thirty days; Frank Tobias, sixty days; William Smith, sixty days; Edward Bolan, fifteen days; Harry Skelly, twenty days; Carl Duerr, sixty days; and Frank Brown, twenty days.

LANG ANNOUNCES BUILDING PLANS FOR SALES ROOMS

Details of plans considered by Fred W. Lang, of the Lang Chevrolet Co., for the erection of a building at a site on E. Main St. on property recently acquired from the Carroll-Binder Co., which will be used to house the Chevrolet agency in Xenia, were announced Saturday on Lang's return to Xenia.

A one-story brick building instead of a two-story building is to be erected, he announced. Plans are now being drawn and excavation work will begin within thirty days.

The acquisition of the E. Main St. lot, formerly the old Bloom property, is in line with a plan to centralize the Chevrolet business in this city.

At present the sales rooms are located on 33 Green st., while the repair shop and storage room occupy two different locations on N. Whiteman St.

These three departments will be concentrated in the one building to be built. The new building will be used for show rooms, with a garage department in the rear. It will be of fireproof, modern construction with a stone front. Duco shop will also be installed for private use in repainting and refinishing cars.

WASHINGTON MAN AGAIN GIVEN FINE

Appearing in Probate Court Friday to change his plea of not guilty to one of guilty to a charge of failure to stop in case of an accident, Ernest D. Rogers, 50, Washington C. H., was fined \$15 and costs by Judge S. C. Wright. A second charge of operating a car while intoxicated, pending against Rogers, was dismissed by Prosecutor J. Carl Marshall. Rogers had already been convicted and fined on charges of reckless driving and resisting an officer, the second charge an outcome of the first offense, which, in turn, resulted from an auto accident on the Dayton Pike January 4.

ed a beggar, at times a fugitive from justice but in his heart was a princely courage and a zest for life and adventure that hunger, poverty, illness and danger could not down. His soul yearned for the untraveled places of the earth and his spirit cried out for adventure. And he made his dream come true.

Halliburton and a friend began their trip by touring parts of Europe and succeeded in climbing the Matterhorn. After this the boys parted, Halliburton going on to Spain and then to Egypt and the East. India supplied him with many thrills as did also the trip across the Malay peninsula, and his climb up Puzhama. At no time did Halliburton have more than a few hundred dollars with him and there were times when he wondered where the next meal would come from. He became an addict apparently at avoiding railroad officials for he seldom had to pay for his transportation from one part of the world to another.

The book has in it the very spirit of youth. I would have read it myself if for no other reason than that I liked the title, "The Royal Road to Romance." Hasn't it a gorgeous sound? Now that I have read it I advise you to read it—not alone because it has a lovely title—but because the book lives up to its name. It is as full of gold and scarlet as the name and if you have any spirit of youth within you, this will thrill you as it has thrilled me.

Come let us travel together "The Royal Road to Romance." Reviewed by Mildred Sandoe, Greene County district librarian.

RED CROSS STILL RECEIVES FUNDS

Greene County Red Cross was marking time Saturday in the drive for funds for the relief of flood sufferers in the Mississippi Valley.

Money is still being received by the organization, W. W. Galloway, county chairman, announced. With \$2,000 sent to national headquarters from Greene County Chapter, by V. L. Fairies, Red Cross treasurer, Friday, officials were pleased with the response of the county, which placed the local chapter well "over the top" of its quota.

The Red Cross chapter will continue to receive money and clothing until advised otherwise by national headquarters, Mr. Galloway said Saturday.

Aspirin Gargle in Sore Throat or Tonsillitis

Prepare a harmless and effective gargle by dissolving two "Bayer Tablets of Aspirin" in four tablespoonsful of water. Gargle throat thoroughly. Repeat in two hours if necessary.

Be sure you use only the genuine Bayer Aspirin, marked with the Bayer cross, which can be had in tin boxes of twelve tablets for few cents.—Adv.

H. D. Morrow SEWING MACHINE

Expert repair man will be in Xenia, Friday, Saturday and Monday, April 29 to May 2nd. Repairs all makes of machines.

GIRLS LEAD BOYS DURING FIFTH GRADING PERIOD OF SCHOOLS

Girls ranked better than boys during the fifth grading period, according to the list of high point pupils in the Xenia public schools announced by Superintendent H. C. Pendry. The list shows forty-five girls and eleven boys attained the honor roll. High point pupils follow:

EAST HIGH NOTES

In pursuance of the annual custom, the various fraternities and sororities of Wilberforce University have been giving their educational programs and meetings, to stimulate the youth of the country to better and higher aims, and with this idea in mind, the student body of East High School has been favored with several visits from the nearby organizations.

The first of these meetings was given at the school, Monday, April 25, by the Alpha Kappa Alpha Sorority, a group of young college women at Wilberforce, led by Misses Grace Edwards and Elizabeth Anne Robinson, both teachers at the institution. The program was well rendered and appreciated by both students and faculty of East High.

The Kappa Alpha Psi Fraternity gave its "Guide Right Movement" at the school, Thursday, April 21, at 10:40. Led by Mr. Henry Sweet, accompanied by Messrs. Rush Emmanuel, Edw. Lockett, Stanislaus Slater and Carl Hamlett, an excellent program was given, featuring by talks on the "Guide Right Movement" by Messrs. Sweet and Hamlett; vocal solos by the former Wilberforceans, Messrs. Emmanuel and Lockett, and a quartette number by Emmanuel, Lockett, Slater and Hamlett.

On Monday afternoon, May 2, at 1:30 p. m., the Alpha Phi Alpha Fraternity will give at the high school its annual "Go to High School; Go to College" movement. This is a program for the interest of pupils and parents in the need and value of a higher education and a very good program will be given. The public is cordially invited by the school officials to attend this and other meetings.

The pupils and faculty of East High School partook in the observance of Arbor Day, April 29, with a suitable program, given in the assembly hall. The program was led by Mr. H. O. Mason and consisted of songs by the audience; the reading of the governor's proclamation on Arbor Day, by Thelma McKnight; vocal duet by Alice Phoenix and Gladine Lomax; poem by Edith Davidson, "The Planting of an Apple Tree"; reading by Beulah Tibbs; talk by James Smith; remarks by Mr. J. Louis Clarke.

RUTH GOING STRONG

NEW YORK, Apr. 30.—After a slow start, Babe Ruth is off on a home run rampage again. He hit his fourth circuit clout of the season against the Red Sox yesterday and now is tied with his team mate, Lou Gehrig, and Cy Williams of the Phillies. If the bandle continues at his present rate, he figures to hit nearly fifty homers this season.

home of Mrs. M. D. Hilliard, E. Main St., Friday all day. The session was not only interesting and helpful but educational. The devotional part of the morning session was in charge of the evangelistic superintendent, Mrs. Hattie Spencer. Mrs. Cora Hawkins presided at the piano. At the close, Mrs. M. E. Harris, president, took charge of the program and presented the speaker, Miss Hattie Q. Brown, of Wilberforce, Ohio.

She gave a brief history of the crusade work here in this county and stressed the value of publicity. Mrs. Cora B. Megrall, of Texas, spoke of the work in the South land. Mrs. Welch, teacher of the Extension Department work at Wilberforce emphasized the need of interesting the youth in the vital issues of the day. The nonsectarian prayer was given by Mrs. Carrie Flatter, county president.

"Praise God From Whom All Blessings Flow" was sung for the opening of the afternoon session. Mrs. Pressinger led in prayer. Mrs. Armistie Young, of Wilberforce, mother of the late Col. Charles Young was present honoring her son. Mrs. Niel, president of the Friendship W. C. T. U. of Dayton, talked on the work in her territory with much interest and enthusiasm. Mrs. Pressinger, superintendent of the soldiers' and sailors' department of Montgomery County, urged the necessity of taking cheer to the soldier boys in the National Home at Dayton.

Miss L. J. Payne, secretary of Effie Carter, in a few well chosen words, brought greetings from the entertaining union. About thirty persons were present at each session. The out-of-town visitors

were: Mrs. F. Williams, Mrs. M. Buchanan, Mrs. Kelley, Mrs. Anna Niel, Mrs. Grubbs and Mrs. Pressinger, all of Dayton; Mrs. Cora B. Megrall, Texas; Mrs. Welch, Mrs. Young and Miss Hattie Q. Brown, of Wilberforce; Mrs. Carrie Flatter, president of Greene County W. C. T. U., Yellow Springs.

Mrs. Flatter in her splendid address of the afternoon, urged that each member's name be placed on the great brick wall that will be built around the eighteenth amendment as a protection to the constitution.

Mrs. Fannie Custis gave excellent words of encouragement out of the abundance of many other good things she said. Mrs. Grubbs of Dayton, gave a short talk. The meeting closed by singing "God Be With You 'Till We Meet Again."

Mrs. Samuel Taylor E. Main St. is among the sick this week. Mrs. Mary Thornton, E. Second St., is still confined indoors by illness.

DODGE SCOUT AUTO VISITS GOLD CAMP AT WEEPAH, NEV.

Gold—\$50 to the pound of dirt—riches for the lucky—only another disappointment to the less favored of Fortune.

This is Nevada's latest romance of treasure. Weepah, yesterday only a pin point of desert and waste land—today a tented city about which, for miles and miles, stakes mark the spots where fickle Fortune will reveal her le Dame Fortune will bring disappointment to those not destined to find the pot of gold at the rainbow's end.

Such is the story of Nevada's new gold field as told by a representative of Dodge Brothers, Inc., who was one of the first on the scene after the news of the "strike" was published. Journeying from Los Angeles to Weepah in a Dodge Brothers Scout Car "Old 1500,000," he swept over four mountain ranges and passed hundreds of loaded cars and trucks telling up the passes toward the land of treasure.

"The motor car rather than Maude, the mule, is today the chief transportation unit. In the desolate stretches of desert and wasteland around Weepah, more famous than all the rest of the West for barrenness and desolation, water has to be hauled long distances by truck. It sells for \$2 a barrel. Gasoline is fifty cents a gallon. Ham and eggs are eighty cents.

"Like all mining towns Weepah has its gamblers, its grifters and its grafters. White mule is fifty cents a drink, chaser free.

"Fabled desert characters are appearing in person at Weepah these days. A gambling house is running full blast and stud, faro and roulette are being dealt in true Wild West fashion. Many well known characters are already on the ground. Among them are: 'Malapal John,' 'Seldom Seen Slim,' the 'Tunsten Kid,' and 'Hardrock Jack O'Brien.'

As the Dodge Brothers party was leaving, a battered car, minus front tires, came creeping along. "Guess this is my hard-luck day," was the plaintive wail from the dust-stained driver. "Never did have no luck, nohow."

CHEVROLET FOUND WITH GOLD MINERS

Recalling the thrilling days of Virginia City, Goldfield and other famous Nevada mining camps in the period that succeeded the rush of the Forty-Niners to California, the new gold excitement at Weepah in Nevada promises to provide more material for romantic present-day writers just as those early-day mining camps give inspiration to Bret Harte and Mark Twain for their immortal fiction.

Early visitors to the camp found Chevrolet to be the favorite means of transport among those busily engaged in mining operations. The automobile was declared to be more economical, less unruly and far more trustworthy than the pack-animals of an earlier era for the long trips across desert and mountain country which are incidents of a mining engineer and prospector's life.

Chevrolts may be found everywhere about the camp and the picture shown of the two Hortons was made only a short distance from "discovery" and almost in the center of this youthful and thriving community.

Lang Chevrolet Co., Green St. sells this car here.

CHRYSLER EXPECTS BIG EXPORT GAINS

Evidence of pronounced improvement in world trade conditions is seen by Chrysler officials in marked gains which their recent export business has been registering over even the high totals it reached in 1926.

Chrysler overseas sales during March were the largest in any month of the company's history. It is announced, and the first three months of 1927 ran far ahead of any previous Chrysler quarter.

March gains represented an increase of \$0.5 per cent over the same month last year, it is stated, while the first quarter of 1927 was 74.1 per cent above the first three months of 1926, which marked a high point in Chrysler exports until the present totals were recorded.

Ankeney and Weaver are local agents.

ONLY ONE FAIR

HILLSBORO, O., April 30.—Only one fair will be held in Highland County this year. It will be held at Hillsboro on August 2, 3, 4 and 5 and will be under the direction of the Highland County Agriculture Society which in the past has been holding its fair at Rainsboro. The Hillsboro Fair Company has dissolved and has turned over its assets to the Agricultural Society.

OIL VERSUS GASOLINE

Kerosene stoves, used popularly where gas is not available, are making great strides not only because of their cleanliness and ease of operation but because of the lack of danger as compared with gasoline stoves. Gasoline being highly explosive, is much more dangerous than the modern oil stove, which uses less volatile fuel and is therefore safer in operation.

NASH AUTO DOLLAR BUYS LARGE VALUE

Figures, which show that the "automobile dollar" today buys \$113 worth of value as compared to the "automobile dollar of 1914," are further emphasized in an analysis of details of refinement and improvement in the construction of the present day motor car. Never before, say those familiar with motor car construction, has the buyer received so much for his money.

It is pointed out that while the "automobile dollar" today is worth \$113, the purchasing power of the "general commodity dollar" is sixty cents, taking the 1914 dollar at a base value of one hundred cents.

While list prices of automobiles today are low, and even lower, than in 1914, Nash cars, for instance, are equipped with many important features, such as 4-wheel brakes, balloon tires, disc wheels, force-feed lubrication, 7-bearing crankshaft motors, and a wealth of additional mechanical improvements and refinements.

Xenia Motor Sales has the Xenia Nash agency.

BUICK ANNOUNCES NEW SALES MANAGER

Announcement was made today by C. W. Churchill, general sales manager of the Buick Motor Company, of the appointment of

Arthur H. Sarvis to the office of assistant sales manager.

Mr. Sarvis was engaged in newspaper work until 1913, when he became sales manager of the Flint Varush and Color Works. He entered the employ of the Buick Motor Company in 1919, and for the past several years has been working under the general sales manager as sales service manager, during which period he aided in the development of the present world-wide Buick authorized service facilities which are available in some four thousand towns and cities in the United States, and in practically all foreign countries.

Xenia Garage Co. sells the Buick here.

AUDITOR'S REPORT SHOWS SLIGHT GAIN IN CITY'S BALANCE

City treasury showed a balance of \$31,583.68 December 31, 1926, as compared with a balance of \$31,192.84, including the sinking fund, January 1, 1926, according to the annual financial report prepared by City Auditor T. H. Zell, covering the year 1926.

Receipts for the year amounted to \$250,418.04 and expenditures, \$250,127.20, the report shows.

Receipts in special assessment funds totalled \$13,781.82 including street cleaning assessments, interest on deposits, transfer from waterworks fund, main extension, and sale of waterworks extension

bonds. Expenditures were \$11,455.69.

Total receipts in the waterworks fund were \$60,502.68 with expenditures of \$45,977.87, exclusive of \$1,000 for the purchase of land and \$15,700 in bonds retired.

OLDSMOBILE SHOWS STRENGTH IN TEST

With amateur drivers alternating at the wheel, a stock Oldsmobile Six recently proved to natives of "the other side of the world" the wonderful stamina and craftsmanship that are built into the better American automobiles.

For more than six days and nights without coming to a stop this Oldsmobile ran over a course comprised of all type roads and grades, piling up a mileage of 4,026.

The run was made on North Island, New Zealand, and consisted of two complete circuits of the island, starting and finishing at Auckland. Sixty per cent of the route was through hilly, mountainous country with road surfaces consisting of an assortment of cement, bitumen, metal, dirt and, in many sections, long stretches of deep, greasy mud. The roads varied from the sea level shore of Hawke's Bay to an elevation of 2,625 feet. The longest run on flat land was less than thirty miles. Weather conditions during the run varied from hours of drenching rain to mile after mile over scorching sands.

Bales Motor Sales, W. Second St., sells the car.

HIGH SCHOOL NOTES

The intended Arbor Day program, scheduled for Friday, was called off on account of inclement weather. No future arrangements were made but it is probable the agriculture class will plant the trees in Cox Memorial Athletic Field as previously planned.

A brief but impressive Arbor Day assembly was sponsored by the Junior High School Friday afternoon. Only junior high students attended.

BELLBROOK

Funeral services for James Avey were held at the home Tuesday afternoon and burial made in Bellbrook cemetery.

Col. John H. Wright presided at the J. W. Anthony sale on last Saturday.

Word was received here this week of the death of John Spahr who at one time was a resident of the township.

Mr. and Mrs. Ab Miller and daughter, Thelma, of Dayton, were Sunday guests of Mrs. Miller's father and mother, Mr. and Mrs. G. W. Kinder.

Mr. and Mrs. West and children, of Michigan, were here Tuesday in attendance at the funeral of James Avey.

Bellbrook met defeat at Beavertown last Sunday after a hot fifteen-inning game with the team at that place. Next Sunday they will have for their opponents the crack Dayton Police team who proved superior over the Harsh-

manville team in last Sunday's contest. It is the opening game of the league, both Bellbrook and the Police showed great strength and it is safe to assume that next Sunday's battle will be a hot one. The game will be played at Harshman and will start promptly at 3 p. m. (Eastern Standard time).

Following is a list of games to be played on the next nine Sundays. May 1, Harshman vs. Xenia at Xenia; Bellbrook vs. Police at Harshman; Osborn vs. Beavertown at Beavertown. May 8, Police vs. Xenia at Xenia; Beavertown vs. Harshman at Harshman, and Osborn vs. Bellbrook at Beavertown. May 15, Bellbrook vs. Xenia at Xenia; Police vs. Beavertown at Beavertown, and Osborn vs. Harshman at Harshman. May 22, Beavertown vs. Xenia at Xenia; Harshman vs. Police at Harshman; Harshman vs. Bellbrook at Beavertown. May 29, Osborn vs. Xenia at Xenia; Harshman vs. Police at Harshman; Beavertown vs. Bellbrook at Beavertown. June 5, Xenia vs. Harshman at Harshman; Police vs. Bellbrook at Beavertown; Beavertown vs. Os-

born at Xenia. June 12, Xenia vs. Beavertown; Harshman vs. Osborn at Harshman. June 19, Xenia vs. Beavertown at Beavertown; Police vs. Osborn at Xenia and Bellbrook vs. Harshman at Harshman.

Hands are Better Than 1

Ford Transmission Makes Driving Much SAFER AND EASIER

There's a feeling of security in driving a Ford—the advantage of the Ford system of control really means something to the driver.

Ford control is equally distributed between hands and feet. Pedals operate gears and brake. Hands are free for steering and signalling and two hands are better than one, when traffic is heavy.

You are relieved of that feeling of responsibility for the security of others. You know that you can cope with any emergency, easily and surely, when you drive a Ford.

Let us show you the latest Ford cars—many recent refinements have added to their beauty, comfort and operating economy.

"Quality That Outlives The Price"

NASH

Leads the World in Motor Car Value

Add \$50 or \$60 to the down payment on a Four — and get a Nash

Nash 6-cylinder, 7-bearing performance costs little, if any, more than 4-cylinder performance.

You can buy a Nash Light Six enclosed car for as little as \$925 f.o.b. factory—an amazingly low price for a car like this.

For besides the exceptional smoothness of Nash 6-cylinder, 7-bearing performance, the Nash Light Six has every worth-while feature of modern motoring:

Full force-feed lubrication; Nash mechanical 4-wheel brakes, with front wheel brakes totally enclosed. Double-beam headlights; Automatic

windshield cleaner; Rear-view mirror; Gasoline gauge on instrument board.

5 Budd-Michelin steel disc wheels; Alemite chassis lubrication, instead of old-fashioned grease cups.

Air cleaner and oil filter to seal the engine; steering gear especially engineered for balloon tires.

And, in closed car bodies, genuine hardwood frames with rounded rear roofs like the costliest custom cars.

You can buy this car for about the same price as one of the higher priced fours. At the most, you'll only need to add \$50 or \$60 to your first payment.

NEW FIREMAN NAMED AND TWO PROMOTED; FISHER IS CAPTAIN

In the latest re-organization of the Xenia Fire Department, William Bowermaster was appointed regular fireman Saturday by City Manager S. O. Hale, filling the vacancy caused by the recent resignation of Captain Roy Ireland.

Bowermaster has had two years' experience as a special fireman and is also able to drive any of the fire trucks. The appointment is effective May 1.

Manager Hale also notified Fire Chief William Hanifan of the promotion of Lieutenant Herman Fisher to be captain and the elevation of Kenneth Dice to the position of lieutenant.

Fisher has been lieutenant since last June and Dice has been a regular fireman since that time, when the first re-organization of the personnel of the department followed the resignation of Fire Chief T. B. Claflie. Fisher has served for more than two years and prior to becoming a regular fireman, was a special fireman for a time.

Bowermaster passed a satisfactory civil service examination and was certified with two other eligible applicants for appointment, by the Civil Service Commission in June, 1926.

His probation period will end August 1, 1927, after which the appointment will be made permanent if the arrangement proves satisfactory.

FORD TRUCK SALES SHOWING BIG GAIN

With a large number of Ford dealers making some of their largest truck and equipment deliveries in the history of their businesses, Ford truck sales in many states are enjoying tremendous majorities over those of the nearest competitor, reflecting the exceptionally healthy ton truck, commercial and industrial business being secured by the Ford dealers. Practically all of the business is obtained after close investigation makes positive that the Ford truck operating and upkeep costs are lowest over a given period.

There are many states showing new Ford truck sales substantially greater than those of the nearest competitor, but let us quote authentic statistics covering states where purchases were so predominantly Ford that they are well worth emphasis, not only to the Ford dealer, but for the especial benefit of the truck sales workers who can use these figures to advantage with certain prospects who require more real facts on the trend of the new ton truck business.

Bryant Auto Sales sells Ford products in Xenia.

Compare it for

Appearance

Only in cars much higher in price will you find such smartness of line, such beauty of design and such elegance of appointment as in the new Chevrolet! Compare its appearance with that of any car at anywhere near Chevrolet's low prices—and then you will know why it has everywhere been acclaimed as the Most Beautiful in Chevrolet history!

New Fisher Bodies, beautifully beaded and paneled; Polished nickel hardware; Smart new Duco Colors; Full-crown, one-piece fenders; Bullet-type headlamps; Higher, more massive radiator; Cowl Lamps; "Fish-tail" modeling of rear decks on 2-passenger models.

Performance

The performance of the new Chevrolet is literally amazing. Incredible smoothness at every speed—flashing acceleration that is a delight—effortless shifting of gears—finger-tip steering—remarkable ease of parking. One ride at the wheel, and you will understand why the new Chevrolet has been the greatest sensation of America's greatest industry!

Valve-in-head motor; Three-point Motor Suspension; Strong and sturdier frame; Single-plate disc-clutch; Long, semi-elliptic springs; Full size 17-inch steering wheel; Balloon tires; Deeply upholstered cushions; Semi-reversible steering gear; AC Air Cleaner; AC Oil Filter.

Price

Comparison of delivered prices reveals Chevrolet's value supremacy. Delivered prices are f. o. b. prices plus charges for handling, financing, etc. The financing charges of General Motors Acceptance Corporation are the lowest available. Handling charges are in proportion. Thus, Chevrolet delivered prices are even more amazing than the f. o. b. prices.

The Coach \$595
The Touring or Roadster \$525
The Coupe \$625
The 4-Door Sedan \$695
The Sport Cabriolet \$715
The Landau \$745
1/2-Ton Truck (Chassis Only) \$395
1-Ton Truck (Chassis Only) \$495

All prices f. o. b. Flint, Michigan. Balloon tires standard equipment on all models.

A THOUGHT FOR TODAY
The lack of temptation is the
root of much virtue.

EPH SNOW
"Most of the happiness we as-
cribe to the 'good old days' is
really ascribable to a falling
memory," observes Eph Snow.

QUERY
I tried today to write a song
Expressive of the season,
But then a redbird came along
And shamed me out of reason.

It perched upon a greening tree
And sang in tones ecstatic
A madrigal, a melody
That paled my verse phlegmatic.

Oh, Man to Nature holds the key,
But pray, how does he know it?
And if it's so, how can it be
A bird's a better poet?

**THE ONE HUNDRED

Chinese if necessary.

ANYWAY, LOWFEN'S WILLING
That typographical error in a
metropolitan newspaper which
referred to it as the "Lowder" presi-
dential boom may turn out to be
prophectic.

BUT GOOD INTENTIONS
The road to success is filled
with bad intentions.

A SHORT STORY
A retired naval officer, now in
Washington, says that a good
many years ago sailors on shore
leave at San Francisco sometimes
wandered into old Chinatown, a
district that since has been clean-
ed up. On such an occasion a sail-
or from a battleship whose leave
had been overstayed three days
finally was rounded up in a Chi-
nese dive by a detail from ship, and
dragged before a summary naval
court.
"It would have been bad en-
ough," the chief court officer
stormed at the culprit, "if you had
been found in a white resort, but
I can think of nothing lower than

a white American sailor disgrac-
ing his uniform by associating
with yellow opium smokers and
worse. What is your defense?"
"Sir," replied the sailor with ap-
parent meekness, "my only de-
fense to that part of the charge
is that I am color blind."

WHO REMEMBERS
When any tramp who called at
the back door for a handout was
made to saw a certain amount of
wood before he was permitted to
eat?

IN OUR TOWN
The Weekly Clarion was pretty
shy of news this week, owing to
the unavoidable detention of its
printer in jail.

THE POINT OF VIEW
A cat chasing its tail
Is held up as the best example
Of foolishness.
But since nobody ever has been
A cat, how can anybody know
How much fun a cat may have
Doing it?

MINOR MUSINGS
An employee's smile often is the
best insurance against "fire."

The real mission of a restaurant
orchestra is to make you forget
the size of the bill.

Nearly every candidate knows
that at times the "common people"
have a perfectly disgusting way
of refusing to think him uncom-
mon.

"Propaganda" is any argument
we don't like.

No use worrying about the short
skirt—it won't be with us long.

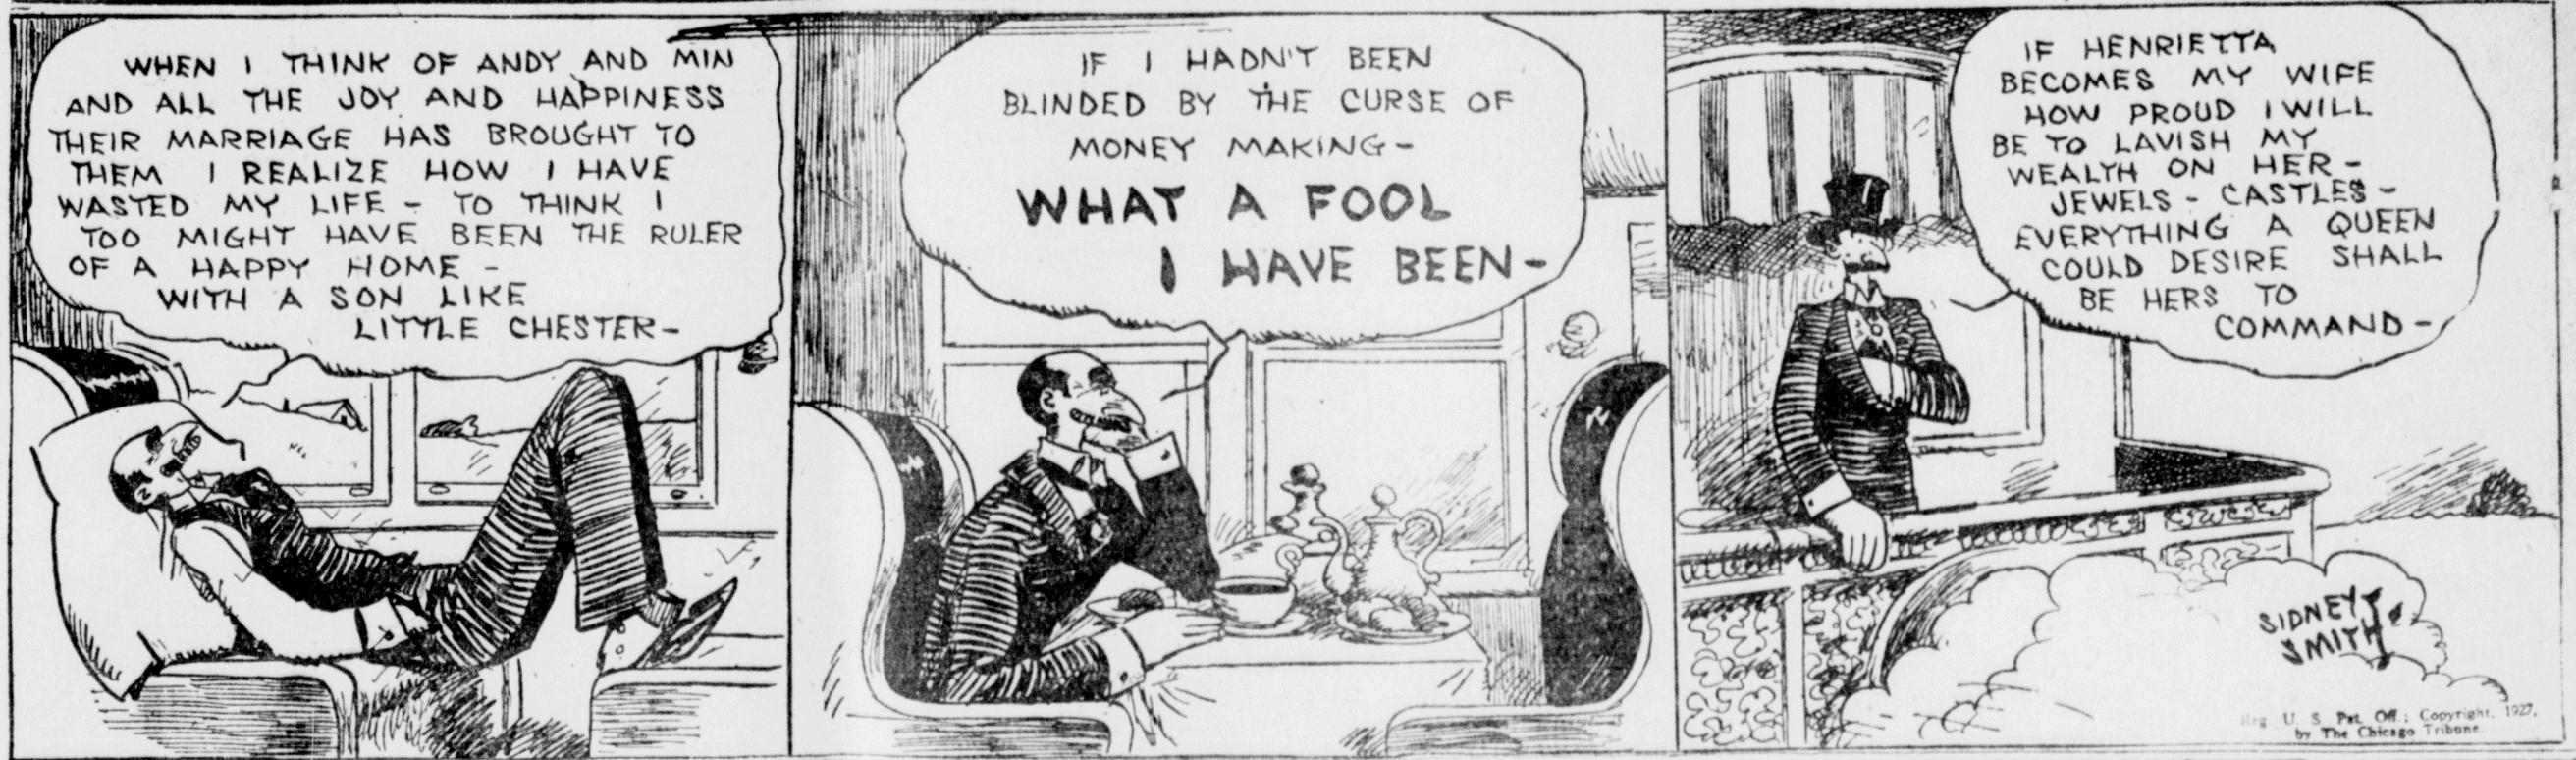

Nothing sends a radio fan up in
the air like failing to get a cer-
tain station out of the air.

The season has arrived when
men's law cutting vies in impor-
tance with women's hair cutting.

There is a good deal of alarm
among the powers, which fear
China is taking her queue from
Russia.

OVERRULES LOWER COURT; PETITION AMENDED IN CASE

With the consent of all parties involved through counsel, Common Pleas Judge R. L. Gowdy overruled the judgment of Probate Court on the exceptions to the inventory and appraisal of the estate of late William C. Halliday, and setting aside the judgment, confirmed the inventory and appraisal, W. C. Halliday, Jr., was represented by counsel.

MADE PARTY DEFENDANTS

In the case of the People's Building and Savings Co., against Frank Archer, Nancy Archer and John T. Barnett and others in Common Pleas Court, Frank Stewart and Frank Burr, partners, doing business as Stewart and Burr, undertakers, also named party defendants, claiming a lien on property described in the petition.

CASE DISMISSED

Suit of Eliza B. Harness against Henry F. Street and others, has been dismissed, according to an entry filed in Common Pleas Court.

NAMED ADMINISTRATRIX

Stella Gentner has been appointed administratrix of the estate of Samuel Gentner, late of Beaver Creek Twp., in Probate Court, with \$500 bond. George Thomas, Frank Custer and Charles Graham were named appraisers.

APPOINTED GUARDIAN

Joseph Copenhaver was named guardian of the estate of Sue E. Copenhaver, an incompetent person with \$2,000 bond in Probate Court.

EXECUTRIX NAMED

Sarah Jane O'Connell has been named executrix of the estate of Michael O'Connell, deceased, bond being dispensed with, in Probate Court. Thomas Andrews, Frank E. Dean and Ora Turnbull were named appraisers.

HEARING SET

Application filed in Probate Court to admit to probate the will of Elkanah E. Finney, deceased, will be given a hearing May 4 at 9 a. m.

MARRIAGE LICENSES

Andrew Thomas Clevay, Dayton, O., salesman, and Mamie Evelyn Moorman, 136 S. Detroit St., Xenia, Rev. V. F. Brown.
Earl Baker Nelson, Jamestown, laborer, and Mary Perry, Dayton St., Yellow Springs, Rev. Murdock, Jamestown.

SOFT BALL LEAGUE TO BE INAUGURATED

Kiwanis and Rotary Club teams meet in the season's inaugural game of the newly formed soft ball league, at Cox Memorial Athletic Field Monday afternoon.

Other games scheduled for the first round next week include contests between the junior and senior business men's teams Thursday afternoon, and the Boy Scouts and Central High School Friday afternoon.

MEET CALLED OFF

Due to a drenching rain Friday afternoon, the triangular track meet between the University of Dayton, and Wilmington and Antioch Colleges at the Dayton stadium, was postponed until Tuesday, May 3.

BASKETBALL SHOWS PROFIT FOR SEASON

Basketball at Central High School showed a substantial profit during the 1926-27 season, according to Principal Spencer Shank.

After all obligations incurred in basketball and football campaigns in the immediate previous years had been met with receipts from the basketball season, it was found a balance estimated at \$250 remains in the fund. This is also exclusive of spring athletic equipment recently purchased.

CEDARVILLE MEETS UNBEATEN DAYTON 9

Cedarville College baseballers faced the difficult assignment Saturday afternoon of playing the strong University of Dayton nine on the Dayton diamond.

Dayton has not lost a baseball game in two years and will be trying for its twentieth straight win, besides the sixth of the current season.

Shorty Sharpenter was to oppose Nagley, of Cedarville, on the mound at 2:30 o'clock. Cedarville has a percentage of .500 this season, winning one game from Wilberforce and then dropping a return encounter.

IT PAYS

We are frequently asked if it pays to spend so much time in reconditioning and inspecting our used cars before they are offered for sale. The answer is that a great many of our used car purchasers come back when they want new cars. Doesn't that pay?

Johnston Motor Sales

A USED CAR IS ONLY AS DEPENDABLE AS THE DEALER WHO SELLS IT

The Tiffany of Low-Priced Cars

Star owners can now be as proud of their cars as Locomobile owners are of theirs

—because style and smartness in a motor car are matters of design rather than of price. And in addition to the fineness of the Star you get a power plant such as you probably never expected to find in a low-priced car.

All we ask is that you DRIVE A STAR before you decide that any other low-priced car is "just as good." Then buy the car that suits you best.

DYKE BREAK BRINGS SMALL RELIEF FOUR FLYERS KILLED

LIGHTNING KNOCKS PLANE INTO WATERS OF CHESAPEAKE BAY

Believe Bolt Struck Fuel
Tanks—Search For
Victims

NORFOLK, Va., April 30.—The loss of a naval seaplane with four men, two officers and two mechanics, was written into navy records today as "an act of God."

A bolt of lightning struck the plane in mid-air late yesterday and sent it hurtling into the choppy waters of Chesapeake Bay, carrying to death Lieut. Victor F. Marinelli, of Washington, Lieut. George W. Lehman, of Warsaw, Ind., and George M. Michaels and L. E. Poyner, aviation machinists mates. None of the bodies had been recovered today.

The plane was one of a V-formation flying to Norfolk from Philadelphia. Over Matthews, Va., a thunder storm was encountered. Suddenly there was a flash of lightning, and the plane piloted by Lieut. Marinelli was seen to go hurtling earthward in flames.

The other planes dived and circled over the spot where the stricken plane crashed but only saw splintered wreckage, which soon sank.

The tender "teal" was sent to the scene and was still searching the waters this morning.

Lieut. P. J. Byrne, who was flying in a plane immediately behind the stricken one, declared the lightning bolt must have hit the fuel tanks. There was a puff of smoke, he said, and then the ship went into a straight dive.

DE PINEDO'S PLANE ARRIVES FOR FLYER TO CONTINUE TRIP

Will Fly Over U. S. Before
Start Of Home-
ward Trip

NEW YORK, Apr. 30.—Commander Francesco De Pinedo's new Italian airplane, in which he will continue his inter-continental flight, arrived from Genoa today upon the liner Duilio, accompanied by a corps of mechanics who will assemble the plane on Staten Island.

The new machine, a hydroplane, replaces the one which was accidentally destroyed by fire at Roosevelt Lake, Arizona, a few weeks ago.

Commander De Pinedo, in an address here, predicted non-stop flights around the world in the near future which would be made in four days or less.

At the same time he made public his plans for the continuance of his return flight to Rome. He announced that he will fly from Mineola, N. Y. to Boston, Chicago and other points in the United States before his trans-Atlantic flight from Newfoundland to the Azores.

From the Azores, he said he would fly to Portugal, thence to Rome.

Commander De Pinedo said that seaplanes are best for long distance flights because of easier landing conditions. He predicted regular trans-Atlantic flights between Europe and the United States on strict schedules.

He urged airplane manufacturers and others interested in the commercial development of aviation to concentrate on the development of airplane engines and accessories. With perfection of engines and development of accessories, he said a non-stop flight around the world will come in a comparatively short time.

GENERAL SERRANO
WILL BE CANDIDATE

MEXICO CITY, April 30.—Gen. Francisco Serrano, governor general of the federal district, will be the national revolutionary party's nominee for president of Mexico in the national election next year. He was nominated late Friday and immediately accepted the nomination.

Three other names were put up—those of General Arnulfo Gomez, former minister of interior; Gilberto Valenzuela, former minister of education, and Jose Vasconcelos—but Gen. Serrano got a majority of the ballots.

The convention refused to consider former President Obregon on account of an adopted resolution pledging the party against the reelection of presidents.

FIRE DESTROYS GRAIN ELEVATOR

ESTIMATE \$10,000 LOSS SUSTAINED AS FORMER DEWINE CO. MILL BURNS

Flames Starting In Cupola Gut Buildings While
Firemen Save Near-by Residences—New Owner
Had Made One Payment On Mill

Loss estimated at \$10,000 was caused by fire that destroyed a grain elevator and flour mill at Bellbrook Ave. and Charles St., formerly owned by The DeWine Milling Co., early Friday evening.

The greater part of the loss is sustained by The Home Building and Savings Co., which had obtained the property less than a year ago through mortgage foreclosure proceedings.

Arrangements had been made for the sale of the property to Willard Jackson, Belmont, for \$9,000, and he had made one down payment. His loss will amount to about \$1,500 including \$1,000 worth of machinery recently installed. The deed had not been transferred. The loan company's loss is partially covered by insurance.

The blaze, originating in the cupola, is thought to have been caused by an overheated bearing in the elevator head. Discovered at 6:30 p. m., it was blazing fiercely and had gained rapid headway when firemen arrived.

Flames could not be reached by hose lines until the blaze had eaten its way into the tin roof of the three-story structure. The fact the buildings were of iron-clad frame construction prevented firemen from reaching the interior blaze with water.

A strong south wind prevailed and so intense did the heat become that the flames could not be fought from the south side and more than 1,500 people attracted to the scene, were forced to retreat.

Unable to check the flames, firemen directed their efforts to preventing a serious spread of the blaze. Buildings on the south and west sides of the street are all of wood and the fire would have had little difficulty, with sparks showering nearby roofs, if it had got beyond control of firemen.

Residences menaced by sparks from a time were Douglas Sheets

(Continued On Page 6)

OPPOSING COUNSEL UNABLE TO ARRANGE SAPIO TRIAL DATE

Attorneys Agree To Second
Conference On
July 1

DETROIT, April 30.—The conference between opposing counsel in the \$1,000,000 Ford-Sapiro libel suit and Federal Judge S. Raymond broke up today without a date having been set for a new trial.

A second conference was arranged on the question, July 1, when the summer term of federal court opens, indicating that the second trial will not get under way until September or October.

Attorneys for Henry Ford, Stewart Hanley and C. B. Longley, who bitterly opposed Sapiro's plea for an early retrial, scored a victory in the postponement of a definite date.

William H. Gallagher, counsel for Aaron Sapiro, so-called "wheat king," who claims articles in the Dearborn Independent, a Ford organ, damaged him greatly, pressed for the earliest possible date. Gallagher even offered to share the expenses of the jury. There is no money available to pay another jury panel because of the failure of congress to enact the second deficiency appropriation bill.

Gallagher cited a number of reasons why his client wished the case to proceed with the utmost dispatch. Many of the witnesses Sapiro expects to call are from farming communities, he said, and a delay until fall when the work is heavy, might prevent their appearance on the stand. He further pointed out that two of Sapiro's co-operative marketing contracts with tobacco growers expire soon and unless the Ford charges are disposed of the plaintiff's interests might suffer.

Relief fund passes four million mark

WASHINGTON, April 30.—The flood relief fund of the American Red Cross passed the four million mark today.

Contributions up to 10 o'clock today totaled \$1,176,750, of which Eastern states contributed \$256,000; mid-western, \$1,118,000 and Pacific states \$392,750.

MAJOR ARRESTED

CLEVELAND, O., April 30.—The twelfth arrest since the probe began, was recorded today in connection with payroll padding in Ohio National Guard units, following arrest of Major W. S. Chalmers, of Ashland, on charges of forgery late yesterday. Chalmers, who was an officer of the 145th Infantry, O. N. G., pleaded not guilty when arraigned before U. S. Commissioner M. J. Monahan. He was released under \$5,000 bond.

IMMENSE CROWD SEES FLAMES DESTROY MILL

Flames had eaten their way from the cupola into the tin roof of the old DeWine Milling Co. elevator and mill at Bellbrook Ave. and Charles St., when this photo was taken about 7 o'clock Friday evening. The picture shows flames shooting skyward and how the iron-clad framework forced firemen to attempt to reach the blaze with water.

"MOMMIE" RESTS AS HECTIC SNYDER MURDER TRIAL MARKS TIME DURING SUNDAY RECESS

OHIO HIGHWAY CONSTRUCTION
HALTED BY EMPTY TREASURY

George Schlesinger Says State Lacks Funds To
Pay Contracts Still Unfinished—Work
Held Up Until August

COLUMBUS, O., April 30.—Because there is no money in the state treasury today with which to pay for new highway construction, road building in Ohio, which has been at a standstill since last fall, cannot be resumed before August, or September, next, according to George F. Schlesinger, state highway director.

Schlesinger said that the state has not more than \$800,000 with which to take care of a \$1,200,000 indebtedness which will be due on highway contracts, now unfinished.

Federal aid funds, totaling about \$5,000,000, for new highway construction will become available July 1, provided the state or the various counties in Ohio make provision for expenditure of an equal amount.

Schlesinger hopes that action by the legislature when it reconvenes May 9, next, will permit the state highway department to resume the letting of contracts as early as possible next fall for construction of new highways.

The present financial situation, Schlesinger pointed out, will not interfere with the carrying out of Governor Vic Donahey's policy of constructing gravel roads, which will be paid for from the gasoline tax and auto license fee funds, and from a \$2,500,000 fund provided for in the general appropriations bill, covering state governmental operations during the 18-months' fiscal period beginning July 1, next.

Proceeds from the two-cent state gasoline tax and from the state auto license fees, Schlesinger said, will permit highway maintenance and repair to continue uninterrupted.

The present financial situation, Schlesinger pointed out, will not interfere with the carrying out of Governor Vic Donahey's policy of constructing gravel roads, which will be paid for from the gasoline tax and auto license fee funds, and from a \$2,500,000 fund provided for in the general appropriations bill, covering state governmental operations during the 18-months' fiscal period beginning July 1, next.

Gray Had Different
Story Than That Of
Victim's Wife

LONG ISLAND CITY, N. Y., April 30.—Mrs. Ruth Brown Snyder, the nervous, blonde co-defendant in the sensational Snyder-Gray murder trial, was resting in her cell in the Queens County jail today confident that her story told on the witness stand had made a good impression on the jury and steeling herself for the ordeal of cross examination on Monday.

"I am very tired but expect to pick up strength over Sunday," she told her attorneys this morning. "I feel bad that I had to interrupt the court twice by breaking down in telling my story yesterday."

"I couldn't restrain my emotions when I had to describe the killing of my husband. My inner self caused me to break. I also felt badly when I had to bring my baby's name into it."

There was no session of court today. Direct examination of Mrs. Snyder will be concluded Monday and then the district attorney will launch the cross examination.

Henry Judd Gray, co-defendant, who is charged with brutal slaying of the woman's husband, Albert Snyder, art editor of "Motor Boat-Ing," will take the stand later in the week and attempt to shoot holes into the story told by Mrs. Snyder.

Gray will try to show that he was the victim of a master mind, or as his lawyer, Samuel L. Miller, termed it, "a serpent in the guise of a woman." Miller claims Gray could not have been rational when the crime was committed; that he was struggling to free himself from Mrs. Snyder's "domination" and that he was drawn into the bloody affair "when his mind, will and manhood were gone."

His testimony, according to Miller, will prove to be "the most tragic story that ever gripped the human heart."

What effect Mrs. Snyder's story has had on the jury was the subject of much discussion today. It was evident that the jury was as keenly interested in her testimony as were the 1,000 or more dippy spectators who frantically fought their way into the courtroom, overwhelming the police and even seizing the seats of the press. One woman actually had the seat of "the defendant Snyder" but, strangely enough, she didn't hold it. Nearly every one else held what they grabbed: possession was tenths of the law.

FRENCH ACE STARTS

PARIS, Apr. 30.—Capt. Saint Roman, French naval flyer, who recently set out from Marseilles to fly across the south Atlantic to South America, hopped off at Casablanca, Morocco for Port Etienne at 5:45 o'clock this morning, according to a dispatch from Casablanca. He was accompanied by Lieut. Mouneyres.

BREAK IN ARKANSAS OFFSETS ADVANTAGE OF LEVEE BLASTING

Rampaging Mississippi Fails To Fall Appreciably—
Situation Above Baton Rouge Dangerous—
Arkansas Hard Hit

NEW ORLEANS, April 30.—Despite the blasting of the levee at Poydras yesterday and continued dry weather over the entire flooded area, little improvement was noted today in the official reports of relief workers throughout the five hundred mile stretch of stricken Mississippi delta country.

The Poydras crevasse opened a new channel south of New Orleans but this morning, fifteen hours after 800 pounds of dynamite had been exploded in the river wall, the spillway was only a little more than 150 feet wide. No further blasting will be necessary engineers in charge said, but the cut will be watched carefully for several days in the hope that the in-rushing waters will sweep out a wider channel.

The river fell one-tenth of an inch at New Orleans during the last twenty-four hours. Virtually offsetting whatever relief had been gained at Poydras, however, was a break in Arkansas at South Bend which added thousands of acres to the 11,000 square miles of inundated territory throughout the Mississippi valley. The South Bend break had been fought off with sandbags and emergency abutments since Monday.

The continuing rise of the Red River at both Shreveport and Alexandria, Louisiana warned the levee defenders above Baton Rouge that the crest of the Red River flood still was above the weakened levees at Angola, where a critical situation had prevailed since Wednesday. Shreveport recorded a rise of three-tenths of an inch and Alexandria five tenths during the past twenty-four hours.

The crest of the Mississippi main channel past Vicksburg Friday afternoon, recording a rise there of more than half an inch and confirming river engineers in their apprehension that the Mississippi and Red River crests would meet in the vicinity of Angola, Fears for the Angola Levees

caused former Governor Parker, director of Louisiana relief activities to call for 200 flat boats for possible use in that vicinity. They were enroute to Baton Rouge at daybreak. Levees south of Baton Rouge were reported holding well.

Five additional companies of Louisiana National Guardsmen, ordered out for relief work and levee patrol, brought about the first complete mobilization of the state forces since the World War. The arrival of two additional coast guards craft made five of these federal boats available at New Orleans today.

Fate was against the city of New Orleans in the Poydras blasting enterprise. The section of levee selected for the operation was an unusually tough one and held so firmly against three successive dynamite blasts that engineers were manifestly disappointed at the size of the crevasse they were able to blast out.

Several hundred persons remaining in St. Bernard and Plaquemines Parishes when the Mississippi began to cascade into the new territory were being carried out of the danger zone today by a special river patrol under the direction of New Orleans civic organizations. More than 4,000 citizens of the territory sacrificed to the security of New Orleans were camped here today.

PINE BLUFF, Ark., Apr. 30.—Evacuation of practically every small town in southeastern Arkansas was under way today as motor boats and trains rushed people to safety before the rushing torrents of the Arkansas River, let loose by a levee break near South Bend.

Five counties—Chicot, Desha, Ashley, Lincoln and Drew will be flooded from the new break, as will three Louisiana parishes—East and West Carroll and Morehouse. Hundreds fled their homes today. A relief train left Ark. a few hours after the break, loaded with flood refugees. The already flooded towns of Duman, Tillar, McGhee, Arkansas City, Gould and Lake Village will receive from three to five feet more of water.

The plantation of Gov. Lowden of Illinois, in Chicot County, Ark., regarded as one of the most beautiful in the state, will be flooded, as it lies directly in the path of the rushing torrent.

MEMPHIS, Tenn., Apr. 30.—The main Mississippi River levee at Glasco, La., was near breaking this morning, according to a report received here by government engineer.

If the break occurs it will relieve the situation from Baton Rouge southward, it was said.

GENERAL CHIANG IS
DRIVING ATTACK ON
HANKOW IS REPORT

Hankow Government
Loses—Attack On City
Planned

SHANGHAI, April 30.—Having won successes at Kiukiang, General Chiang Kai Shek is now driving towards an attack upon Hankow, according to reports received here. General Yang Sung, whose forces have been estimated as high as 80,000 men is reported to be under orders from Chiang to march upon Hankow.

Reports declare that Chiang has inflicted severe defeats upon the troops supporting the Hankow government. The Hankow troops are reported to be poorly equipped and without strong leadership and thus far have offered but little resistance in flight.

Hankow is reported to be greatly excited and grave fears are felt of Chiang's eventual capture of the city. Some of the richer Chinese citizens are reported to be already in flight.

Any hopes that may have been entertained of a peace between the Hankow government and Chiang now seem to have gone aglimmering. Chiang is reported as intending to push his victories to the fullest extent and to drive out the extremists in Hankow.

PARIS POLICE FIND
"REVOLUTION BAND"

PARIS, Apr. 30.—The police have discovered the existence of an organized band of 500 Spaniards and 1,000 Italians which has been engaged in revolutionary efforts here. It was stated by the Petit Parisien today.

The newspaper stated that the police have confiscated 600 bombs and are searching for further weapons. No arrests have been made.

BIBLE THOUGHT

THE AFFLICTION OF THE GODLY:—Many are the afflictions of the righteous; but the Lord delivereth him out of them all. Psalm 34:19.

THE BEST TIMES

Some reporter asked Chauncey Depew, on his 93rd birthday, a question about "the good old times."

"There is no more rotten phrase," replied Depew. "All times are good times. The present time is the greatest of all. These are good new times."

Of course they are. People who look to the past for perfection, lamenting their own time, not only lack historical understanding but lack practicality.

The present will doubtless stand comparison with any previous age, when every factor is considered. If we seem to lack spiritual progress, we have made plenty of progress in other fields, and have the stage all set now for progress in spiritual and idealistic things. And there is in this age at least a general spirit of kindness that never prevailed before.

But we might ignore all the improvements the present has brought, and fall back on this supreme fact—that the present is better for us than any other time, past or future, could possibly be, because it is the time that is ours. It is the time we have for our life drama—the time in which we can live or present life and improve upon the past and contribute to the making of a better future.

The present is always best, because it is only in the present that man can act and grow and make destiny for himself and others.

PARENTAL PASTIMES

Children's school music, like many other things they study, is useful for educating their parents. Addressing the National Federation of Music Clubs, Miss Edith Rhett, educational director of the Detroit Symphony Orchestra, tells this experience in her own city:

"Father and mother soon got tired of making the same reply to the children's questions about music—'Ask your teacher!'—and began to study music themselves. Soon most of the clubs in the city began to study appreciation of music."

"Now, I ask you, isn't that better than playing bridge?"

Some will say it is. Some will even say it is better than filling out random lists of answers to information questions about everything in the universe. Others will still prefer their bridge.

KEEPS THEM OUT OF TROUBLE

Out of 14 vocational schools in New Jersey, not one has ever had a graduate in a penal institution, according to a recent statement of the assistant state commissioner of education. One might compare the above with the statement often made by police authorities, that it is in school vacations that boys most frequently get into trouble. When they are taught how to work, and have work to do, then they are safe from temptation.

Boys who are taught some useful occupation to which they are adapted rarely become criminals. If half the money spent on jails and prisons could be put into the right kind of training for boys, such institutions would have few inmates.

And if a boy who takes in book knowledge with difficulty, is kept on book work alone, there is a misfit there that needs adjustment, and may make trouble if not looked after.

Little Old New York

NEW YORK, April 30.—Some of the most interesting exhibits in this year's circus at Madison Square Garden is the "Pete Robinson, the fifty-pound skeleton," and his wife, Baby Bunny, who has been out of her twenty-fifth summer, and weighs 468 pounds. Pete is forty-five and once when he got soaking wet, tipped the beam at fifty pounds one ounce.

Pete and Baby Bunny were married two years ago, after a long and arduous courtship. It was one of those swell, New York weddings. She wore a ton of orange blossoms and a twelve-cylinder gown in three sections like the Twentieth Century Limited. Pete was attired in a striped suit, one strip on each side.

He omitted the ceremony of lifting his bride across the threshold of their new home. She'd sort of counted on it, but he was adamant. Pete was waiting in the tub. Although I say it as one who oughtn't, Pete is one of the country's finest bath sponge tongs.

"He kids me a lot, saying he has to keep himself down to skin and bone to support me in the style to which I had been accustomed, but that he'd rather do that than sit back idly at home, living off the fat of the land, like an obesity doctor."

Pete and Babe have much in common. Their friends are all "interesting people," and they share the same taste in literature, both being passionately fond of Sunday comic supplements, crossword puzzles and Ahsk-mee-nuth books.

EAST END NEWS

You are invited to attend our ten night meetings held by Eld. Perkins and wife, of Dayton, O., beginning Sunday morning at 11 o'clock, May 1. Good preaching and music, at Apostolic Faith Church, 39, Taylor St. Eld. S. Kirly, pastor.

Hungry!

KELLYGRAMS by FRED C KELLY

IT'S NO GOOD IF IT WON'T WORK

Last night in thumping through Bill Myron, a first novel by Dean Fales, I find the leading character making the following remarks to the secretary of an institution intended for uplift:

"You got fellows who ship, but the loofiest of moives. If the machine won't ever perform dependably, then it's a failure, and so is up. You got B's maker. A good auto is one ble classes, but which always brings you home! We are told that the righteous shall prosper and in the long run they probably do—but not unless they fill a demand and deliver goods or service of value."

No scheme is any good unless it will work. Not even a church can have much influence unless it pays its bills and carries an atmosphere of prosperity.

Everybody knows that if an institution doesn't prosper there must be something wrong with it.

As Mr. Dooley once remarked: "Poverty is not to be despised—but is."

picture of Jesus Christ in the lobby, but you got centipedes, rats, cockroaches and bed bugs!"

Rather shocking frankness to hurl at a soft-spoken fellow who thinks he is engaged in doing good, but the general idea is sound.

Nothing is right or goodly if it isn't workable.

An automobile isn't good merely because its maker or owner has the loftiest of moives. If the machine won't ever perform dependably, then it's a failure, and so is up. You got B's maker. A good auto is one ble classes, but which always brings you home! We are told that the righteous shall prosper and in the long run they probably do—but not unless they fill a demand and deliver goods or service of value."

Prof. L. E. Mendenhall, O. S. and S. O. Home school superintendent, addressed the graduating class of the Marathon, O., High School last night.

Students in the junior class of the theological seminary enjoyed a fellowship dinner at the Frances Inn.

The Xenia Sand Lime and Brick Co., was incorporated for \$30,000 by A. W. Anderson, Grant Miller, J. D. Steele, H. W. Eavey and Charles Hartington.

Fry one-half tablespoon minced onion soft in three tablespoons butter. Add three cups chopped watercress (save a few dainty tips for garnishing), three tablespoons rice and one quart chicken stock. Cover and simmer until the rice is soft. Rub through a sieve, add a cup of light cream or rich top milk beaten with an egg yolk, bring to boiling point, stirring constantly, and season with half teaspoon salt, a few drops of Worcestershire sauce and a few grains nutmeg. Serve garnished with the tiny watercress tips.

Many Minds SIGNIFICANT SAYINGS OF THE DAY

"The League of Nations is the 'new technique' through which mankind can save itself. It offers a plan whereby the differences that have hitherto caused wars can be adjusted and a means of settling disputes between nations that arise out of economic or social questions."—Raymond B. Fosdick.

"I cannot understand the psychology of people who fear. If they really believed in what they stand for, they would not be afraid to put it to the test. Timidity, misunderstanding, ignorance—that is what intolerance is."—Judge Ben Lindsey.

"The younger generation is more responsible than its elders and no more radical than the youth of past generations. The most sterile periods in the world's history have been those in which youth trod in the footsteps of its elders."—Dr. Ernest M. Hopkins, Dartmouth College.

"I think of America as a spirit—a mind—a soul—not a soil. A man becomes an American not when he touches the soil of America, but when the soul of America touches him."—Rabbi Stephen S. Wise.

"The chief points of difficulty and of danger to peace are found in the instability of governments and in the incomplete political education of some of the self-governing peoples. There is no greater fallacy than to suppose that all people are equally competent for orderly self-government."—Dr. Nicholas Murray Butler.

MAKING MODERN MENUS

Mrs. Hall—"Isn't your husband English, Mrs. Brown?"

Mrs. Brown—"Yes, indeed. He has tormented me no end this last week, saying: 'Oh, to be in England, now that April is here!'"

Mrs. Hall—"I thought he was English and I cut this recipe out of the paper for him. Why not make it tonight as a surprise?"

WATERCRESS SOUP

Fry one-half tablespoon minced onion soft in three tablespoons butter. Add three cups chopped watercress (save a few dainty tips for garnishing), three tablespoons rice and one quart chicken stock. Cover and simmer until the rice is soft. Rub through a sieve, add a cup of light cream or rich top milk beaten with an egg yolk, bring to boiling point, stirring constantly, and season with half teaspoon salt, a few drops of Worcestershire sauce and a few grains nutmeg. Serve garnished with the tiny watercress tips.

Keeping HEALTHY by Dr. A. F. Currier

THE SIN OF QUACKERY

There is a class of men calling themselves doctors and hanging out their signs as such, who pose as specialists in certain disorders which are very common among young men, but are not nearly so serious in the majority of cases as they are represented to be.

They also, as I have very good reason to believe, do not exist. But because they impose upon patients and tell them they have serious, exhausting and perhaps fatal diseases, they frighten them beyond measure and extort from them large sums of money.

When they have drained their victims of their pecuniary resources their interest in their welfare ceases. If a rejected young man can possibly raise more money he may be taken in by another sharper of the same kind.

When his money is all gone he perhaps awakens to the consciousness that he has been duped, and he is fortunate if he at length realizes that there is not and never has been anything very serious the matter with him, and goes about his business with less and less worry about imaginary ailments and their serious significance.

I have many times received letters from the victims of the quacks and chaldeans to whom I am calling attention, asking me to advise them.

One of these bearing the essential marks of genuineness was from a man who said he was twenty-three, was in great distress of mind and body and had been told by a so-called doctor whose name and address he gave, that he was suffering from various veins and disease of the prostate gland. The quack got \$40 out of him for three months treatment, he then told him he must have \$75 for an operation, but as the patient did not have the money he was obliged to discontinue the operation.

To sum up, he had paid \$200, up to the time when he wrote me, was then out of work, was suffering unbearable pain, as he said, and begged me to tell him where he could have an operation performed to be paid for when he could get work.

Of course with this man and with many others who have written similar letters the disease was mainly in his mind.

He had been imposed upon by a series of advertising quacks, he imagined he was suffering, and every time he visited one of the quacks fuel was added to the flame.

Varicose veins may come to anybody but that they should cause such dire distress as was depicted in the literature which this poor victim sent me, while conceivable, is possible only in rare instances.

The story was a fraud and an imposition. The other disease, while possible in a man twenty-three is almost exclusively confined to advanced life.

The medicines which these men give are probably the least harmful

part of their treatment. It is more than likely that their only value is in their appeal to the imagination. If they were to deal with powerful drugs, the drug would be too expensive and they might do serious harm to the victim which would hurt the shaper's business in either case.

That such men should perform surgical operations when operations are not called for or required is one of the causes for disrepute of legitimate surgery among large numbers of people.

Two hundred dollars of the earnings of a clerk or book keeper or professional man means a good deal of money, and to throw it away in this fashion is worse than speculation in Wall Street.

It would be well if every community where this evil abounds would take pains to get rid of it.

QUESTIONS AND ANSWERS

J. K.—Am a girl 13 years old, 5 ft. 4 inches tall and weigh 145 pounds. My health is good, but every one tells me I weigh too much.

Answer—I should say that if you are in good health you should let well enough alone, and be very thankful. If you wish to curtail your diet, omit starches, fats and sugar from your meals except to a very moderate extent, and also I would advise you to take plenty of outdoor exercise.

Ask Dr. Currier that medical question that has been puzzling you. Confine your letter to fifty words and send stamped, addressed envelope or reply. He cannot, of course, make individual diagnoses, and he reserves the right to decide as to the propriety of queries.

G. & C. MERRIAM CO.
Springfield, Mass., U.S.A.

HEY! Hello Everybody!

I'll be in Xenia Monday and I'm going to give away 500 bottles of TALL-ONE free at The Carroll & Binder lot on East Main St., opposite American Express office, at noon.

Read this story—I'll see you Monday.

Listen folks: One day the Captain handed me a bottle and said—"Tall-One, old fellow—try this."

So I did.

"How do you like it?"

I said—"Man alive—that's the best drink I've ever had."

But I wanted more—so I said—"HEY, GIMME A TALL ONE!"

The Captain jumped in the air and shouted with delight—"Tall-One, old fellow; you're a God-father. I'll christen it 'TALL-ONE'—I'll put your picture in the papers—I'll blow it into every bottle so that everyone—even the children—will not mistake the 'TALL-ONE'."

So here I am folks, and believe me, you'll like it too. Just get a taste of Tall-One Grape or Orange—or Lemon or Cherry and you'll join in the chorus "Hey, Gimme a Tall-One."

And say—Tall-One Rootbeer—or Lemon and Lime—or Cream—or Strawberry will all hit the same spot.

Gee! Folks—if my picture's in the bottle of your favorite flavor you can bet it's a real TALL-ONE!

Local Distributor
THE W. & F. BEVERAGE CO.

MISSIONARY TEA AT PRESBYTERIAN CHURCH

One of the largest meetings enjoyed by members of the Women's Missionary Society, First Presbyterian Church, during the year was the "missionary tea" held in the church parlors, Friday afternoon.

The parlors were given a home-like appearance, with beautifully shaded lamps and bouquets of spring flowers. Mrs. A. C. Messenger had charge of the devotional period and had as her subject, "Quiet Periods of the Soul." She brought out the point that the loss of spirituality today is because of the lack of time for meditation.

Mrs. Charles Ryan Adams, Springfield, Presbyterian president, gave the principal talk of the afternoon. She spoke of the Golden Jubilee at Dayton, May 12 and then went into her subject, "The Great Movements of Today and Their Relation to Christianity." Her points were interestingly given and her address was well received.

Mrs. D. D. Jones gave a reading, "Wilkie's Unpardonable Sin," which was a delightful feature of the program. Two vocal solos were given, the first "Our Men's Names" by Mrs. Arthur V. Perrell and the second, "The Prayer Perfect," by Mrs. James Wilson III.

Refreshments were served after the program, with Mrs. Leila Cooley and Mrs. W. E. Cox pouring tea. Officers of the local society served as hostesses for the meeting. Forty or more women of the church attended the affair.

PRESBYTERIAN WOMEN EXPECTED TO GO TO MEET

Many local women will be in attendance when the Dayton Presbyterian Society of Missions holds its fiftieth anniversary jubilee in Westminster Church, Dayton, May 12 and 13, according to leaders here interested in the success of the gathering.

Miss Florence White, Clifton, is a vice president of the society. Mrs. Reed Madden, W. Church St., and Mrs. Paul Espey, N. Detroit St., head local auxiliaries. Forty-seven auxiliaries compose the Dayton Presbyterian Society.

Mrs. Charles K. Roys, New York City, executive secretary of the Board of Foreign Missions of the Presbyterian Church, will deliver an address. Another principal speaker will be Mrs. Dexter N. Lutz, Union Christian College, Pyongyang, China, who is on furlough. Reports of the work of local auxiliaries will be heard.

An interesting and impressive feature of the two day jubilee will be a memorial service honoring the women who pioneered in missionary work in the Dayton Presbyterian Church. Dinner will be served in Westminster Church, Thursday evening and luncheon, Friday noon.

W. C. T. U. CARRIES OUT PART OF FRIDAY PROGRAM

For the benefit of about twenty-five people, who had braved the inclement weather to witness the exercises, a portion of the scheduled Arbor Day program of A. C. Turrell W. C. T. U. was given as planned in Shawnee Park late Friday afternoon.

The complete program could not be given and was postponed until a later date.

Mrs. A. C. Turrell read the 146th "Crusade Psalm" while Mrs. E. H. Caruthers led in prayer. The program closed with Mrs. W. O. Custer, W. C. T. U. president, reading a list of names of the early temperance crusaders.

This list, compiled since 1864, contained thirty names and is incomplete. Any helpful information or additions of names to the list will be welcomed by the organization.

SPECIAL PROGRAM OF MUSIC AT EPISCOPAL CHURCH

Partly in observance of National Music Week and arranged in honor of the Rev. B. H. Reinheimer, Columbus, archdeacon and executive secretary of the Episcopal diocese of Southern Ohio, the church of Christ Episcopal Church, will present a special program at the Sunday morning service.

The program will be as follows: Prelude, Santasia, Stainer; Mrs. Ruthrauff, organist.

Choir:
Welcome Happy Morn' Danks
The Lord Is In His Temple, Danks
Kyrie, Danks
Gloria Tibi, Paxton
Beatitude, John Dykes
King of Kings, Simper
Sanctus, Cruickshank
St. Agnes Hymn, Dykes
Gloria In Excelsis, Elwanger
Benediction, Hopkins
Recessional, Come Ye Faithful, Sullivan

DINNER PARTY GIVEN HONORS CHOR MEMBERS

As a token of her appreciation for the co-operation of the choir of Christ Episcopal Church, Mrs. Charles W. Adair, leader, entertained the members with dinner at the Parish House, Friday evening.

Besides the choir members, the choir "mother," Mrs. Anna Horen, the Rev. and Mrs. C. O. Nybladh, and the organist, Mrs. Alice Ruthrauff, were entertained. The tables were decorated with lighted tapers and spring flowers in pastel shades.

The dinner, prepared and served by Mrs. Adair, included many delicious viands.

SEWING CLUB MEMBERS ENTERTAINED ON FRIDAY

Members of the Busy Twelve Sewing Club were delightfully entertained by Mrs. Fred Coy at her home on W. Second St., Friday afternoon.

After a few hours of needlework, a contest was enjoyed in which Mrs. Charles Haas and Mrs. Floyd Plison were winners.

Guests were then invited to the dining room where clever favors were at hand. A bowl of yellow snapdragons and ferns formed the center piece on the table. A dainty lunch was served by the hostess.

RETAIL GROCERS DISCUSS PLAN FOR ORGANIZATION IN XENIA

Two hundred retail grocers from the territory served by the Xenia branch of The Eavey Co., wholesale grocers, were acquainted with plans for local organization of the Independent Grocers Association, for co-operative buying among wholesale and retail grocers at prices calculated to meet the menace of chain store competition, at a meeting at the Elk's Club Friday evening.

H. E. Eavey, president of The Eavey Co., discussed what the future holds for retail grocers if the chain store system continues its rapid growth of past years.

The Xenia wholesale firm is promoting the organization of the I. G. A. in its territory out of Xenia and Richmond, Ind., branches. Mr. Eavey informed the grocers that already 150 retail grocers in the company's territory have already signed up for membership.

Advantages of becoming members and future plans entertained for the new venture, were explained in detail by J. J. Miller, representative of the national association from its Chicago headquarters.

He predicted that within the next few months the national association will boast 200,000 retail grocers, allied against chain store competition. The new plan, it was asserted, provides for a standard arrangement and color scheme for all association members.

James Bros. grocery, E. Market St., is the first retail grocer in Xenia, to adopt the new plan, it was announced at the meeting.

HALLIBURTON—

Royal Road to Romance
Some day I am going to fulfill a favorite dream of mine, and when I do, I know that I will want to shout out loud about it. Perhaps I may exaggerate the joy I've had, but you all will envy me my fulfilled dream—the dream you ask. Yes, my dream to wander.

That is why my sympathy and my admiration both go out to Richard Halliburton. He has achieved, while I have only dreamed. With only the clothes on his back and a few pence in his pocket, this young Princeton graduate set out upon the Royal Road to Romance. And it was both a royal road and one of romance and the young man who followed it was a prince in disguise, a prince of story tellers. At times he seemed

ad a beggar, at times a fugitive from justice but in his heart was a princely courage and a zest for life and adventure that hunger, poverty, illness and danger could not down. His soul yearned for the untrodden places of the earth and his spirit cried out for adventure. And he made his dream come true.

Halliburton and a friend began their trips by touring parts of Europe and succeeded in climbing the Matterhorn. After this the boy parted, Halliburton going on to Spain and then to Egypt and the East. India supplied him with many thrills as did also the trip across the Malay peninsula, and his climb up Fujiyama. At no time did Halliburton have more than a few hundred dollars with him and there were times when he wondered where the next meal would come from. He became an addict apparently at avoiding railroad officials for he seldom had to pay for his transportation from one part of the world to another.

The book has in it the very spirit of youth. I would have read it myself, if for no other reason than that I liked the title, "The Royal Road to Romance!" Hasn't it a gorgeous sound? Now that I have read it I advise you to read it—not alone because it has a lovely title—but because the book lives up to its name. It is as full of gold and scarlet as the name and if you have any spirit of youth within you, his will thrill you as it has thrilled me.

Come let us travel together "The Royal Road to Romance." Reviewed by Mildred Sandoe, Greene County district librarian.

COUNTY JAIL GETS EIGHT PRISONERS ON FEDERAL CHARGE

Eight federal prisoners, recently sentenced to terms of imprisonment ranging from five to sixty days for violations of the prohibition laws by Federal Judge Benson Hough in United States District Court, Dayton, were received at the Greene County Jail to begin serving sentences Saturday noon.

The prisoners were turned over to Sheriff Ohmer Tate by Deputy United States Marshal John Theobald, Cincinnati.

This allotment to the local jail increases the number of federal prisoners confined here to sixteen, and jumped the jail population to twenty-six, four short of its capacity, and the greatest number of prisoners confined at any one time since Sheriff Tate assumed office in January.

Federal prisoners received Saturday and their terms of confinement, are:
John A. Wilmer, five days; Arthur Hawkins, thirty days; Frank Tobias, sixty days; William Smith, sixty days; Edward Bolan, fifteen days; Harry Skelly, twenty days; Carl Duerr, sixty days; and Frank Brown, twenty days.

LANG ANNOUNCES BUILDING PLANS FOR SALES ROOMS

Details of plans considered by Fred W. Lang, of the Lang Chevrolet Co., for the erection of a building at a site on E. Main St. on property recently acquired from the Carroll-Binder Co., which will be used to house the Chevrolet agency in Xenia, were announced Saturday on Lang's return to Xenia.

A one-story brick building instead of a two story building is to be erected, he announced. Plans are now being drawn and excavation work will begin within thirty days.

The acquisition of the E. Main St. lot, formerly the old Bloom property, is in line with a plan to centralize the Chevrolet business in this city.

At present the sales rooms are located on 33 Green St., while the repair shop and storage room occupy two different locations on N. Whiteman St.

These three departments will be concentrated in the one building to be built. The new building will be used for show rooms, with a garage department in the rear.

It will be of fireproof, modern construction with a stone front. A Duco shop will also be installed for private use in repainting and refinishing cars.

WASHINGTON MAN AGAIN GIVEN FINE

Appearing in Probate Court Friday to change his plea of not guilty to one of guilty to a charge of failure to stop in case of an accident, Ernest C. Rogers, 60, Washington C. H., was fined \$15 and costs by Judge S. C. Wright.

A second charge of operating a car while intoxicated, pending against Rogers, was dismissed by Prosecutor J. Carl Marshall.

Roger had already been convicted and fined on charges of reckless driving and resisting an officer, the second charge an outcome of the first offense, which, in turn, resulted from an auto accident on the Dayton Pike January 4.

GIRLS LEAD BOYS DURING FIFTH GRADING PERIOD OF SCHOOLS

Girls ranked better than boys during the fifth grading period, according to the list of high point pupils in the Xenia public schools announced by Superintendent H. C. Pendry. The list shows forty-five girls and eleven boys attained the honor roll. High point pupils follow:

EAST HIGH NOTES

In pursuance of the annual custom, the various fraternities and sororities of Wilberforce University have been giving their educational programs and meetings, to stimulate the youth of the country to better and higher aims, and with this idea in mind, the student body of East High School has been favored with several visits from the nearby organizations.

The first of these meetings was given at the school, Monday, April 25, by the Alpha Kappa Alpha Sorority, a group of young college women at Wilberforce, led by Misses Grace Edwards and Elizabeth Sweet, accompanied by Messrs. Rush Emmanuel, Edw. Lockett, Stanislaus Slater and Carl Hamlett, an excellent program was given, featured by talks on the "Guide Right Movement" by Messrs. Sweet and Hamlett; vocal solos by the former Wilberforceans, Messrs. Emmanuel and Lockett, and a quartette number by Emmanuel, Lockett, Slater and Hamlett.

On Monday afternoon, May 2, at 1:30 p. m., the Alpha Phi Alpha Fraternity will give at the high school its annual "Go to High School; Go to College" movement. This is a program for the interest of pupils and parents in the need and value of a higher education and a very good program will be given. The public is cordially invited by the school officials to attend this and other meetings.

The pupils and faculty of East High School partook in the observance of Arbor Day, April 29, with a suitable program given in the assembly hall. The program was led by Mr. H. O. Mason and consisted of songs by the audience; the reading of the governor's proclamation on Arbor Day, by Thelma McKnight; vocal duet by Alice Phoenix and Gladine Lomax; poem by Edna Emerson, "The Planting of an Apple Tree" read by Beniah Tibbs; talk by James Smith; remarks by Mr. J. Louis Clarke.

NEW YORK, Apr. 30.—After a slow start, Babe Ruth is off on a home run rampage again. He hit his fourth circuit clout of the season against the Red Sox yesterday and now is tied with his team mate, Lou Gehrig, and Cy Williams of the Phillies. If the bandle continues at his present rate, he figures to hit nearly fifty homers this season.

RUTH GOING STRONG

NEW YORK, Apr. 30.—After a slow start, Babe Ruth is off on a home run rampage again. He hit his fourth circuit clout of the season against the Red Sox yesterday and now is tied with his team mate, Lou Gehrig, and Cy Williams of the Phillies. If the bandle continues at his present rate, he figures to hit nearly fifty homers this season.

SOHN'S DRUG STORE

East Main St.
Opposite Court House

home of Mrs. M. D. Hilliard, E. Main St., Friday all day.

The session was not only interesting and helpful but educational. The devotional part of the morning session was in charge of the evangelistic superintendent, Mrs. Hattie Spencer. Mrs. Cora Hawkins presided at the piano. At the close, Mrs. M. E. Harris, president, took charge of the program and presented the speaker, Miss Hattie Q. Brown, of Wilberforce, Ohio.

She gave a brief history of the crusade work here in this county and stressed the value of publicity.

Mrs. Cora B. Megrall, of Texas, spoke of the work in the South and the Extension Department work at Wilberforce emphasized the need of interesting the youth in the vital issues of the day. The apostle prayer was given by Mrs. Carrie Flatter, county president.

"Praise God From Whom All Blessings Flow" was sung for the opening of the afternoon session. Mrs. Pressinger led in prayer. Mrs. Armistead Young, of Wilberforce, mother of the late Col. Charles Young was present, honoring her son, Mrs. Niel, president of the Friendship W. C. T. U. of Dayton, talked on the work in her territory with much interest and enthusiasm. Mrs. Pressinger, superintendent of the soldiers' and sailors' department of Montgomery County, urged the necessity of taking cheer to the soldier boys in the National Home at Dayton.

Miss L. J. Payne, secretary of Effie Carter, in a few well chosen words, brought greetings from the entertaining union. About thirty persons were present at each session. The out-of-town visitors

were: Mrs. F. Williams, Mrs. M. Buchanan, Mrs. Kelley, Mrs. Anna Niel, Mrs. Grubbs and Mrs. Pressinger, all of Dayton; Mrs. Mrs. Cora B. Megrall, Texas; Mrs. Welch, Mrs. Young and Miss Hattie Q. Brown, of Wilberforce; Mrs. Carrie Flatter, president of Greene County W. C. T. U., Yellow Springs.

Mrs. Flatter in her splendid address of the afternoon, urged that each member's name be placed on the great brick wall that will be built around the eighteenth amendment as a protection to the constitution.

Mrs. Fannie Custis gave excellent words of encouragement of the abundance of many other good things she said. Mrs. Grubbs of Dayton, gave a short talk. The meeting closed by singing "God Be With You 'Till We Meet Again."

Mrs. Samuel Taylor E. Main St. is among the sick this week.

Mrs. Mary Thornton, E. Second St., is still confined indoors by illness.

DODGE SCOUT AUTO VISITS GOLD CAMP AT WEEPAP, NEV.

Gold—\$50 to the pound of dirt—riches for the lucky—only another disappointment to the less favored of Fortune.

This is Nevada's latest romance of treasure. Weepap, yesterday, was a land—today a tented city about which, for miles and miles, stakes mark the spots where fickle Dame Fortune will reveal her treasure trove—or bring disappointment to those not destined to find the pot of gold at the rainbow's end.

Such is the story of Nevada's new gold field as told by a representative of Dodge Brothers, Inc., who was one of the first on the scene after the news of the "strike" was published. Journeying from Los Angeles to Weepap, in Dodge Brothers Scout Car, "Old 350,000," he swept over four mountain ranges and passed hundreds of loaded cars and trucks toiling up the passes toward the land of treasure.

"The motor car rather than Maude, the mule, is today the chief transportation unit in the desolate stretches of desert and wasteland around Weepap, more famous than all of the rest of the West for barrenness and desolation. Water has to be hauled long distances by truck. It sells for \$2 a barrel. Gasoline is fifty cents a gallon. Ham and eggs are eighty cents.

"Like all mining towns Weepap has its gamblers, its grifters and its grafters. White mule is fifty cents a drink, chaser free.

"Fabled desert characters are appearing in person at Weepap these days. A gambling house is running full blast and stud, faro and roulette are being dealt in true Wild West fashion. Many well known characters are already on the ground. Among them are: 'Malapal John,' 'Seldom Seen Slim,' the 'Tungsten Kid,' and 'Hardrock Jack' O'Brien.

As the Dodge Brothers party was leaving, a battered car, minus front fenders, came creeping along. "Guess this is my hard-luck day," was the plaintive wail from the dust-stained driver. "Never did have no luck, nohow."

CHEVROLET FOUND WITH GOLD MINERS

Recalling the thrilling days of Virginia City, Goldfield and other famous Nevada mining camps in the period that succeeded the rush of the Forty-Niners to California, the new gold excitement at Weepap in Nevada promises to provide more material for romantic present-day writers just as those early-day mining camps gave inspiration to Bret Harte and Mark Twain for their immortal fiction.

Early visitors to the camp found Chevrolet to be the favorite means of transport among those busily engaged in mining operations. The automobile was declared to be more economical, less unruly and far more trustworthy than the pack-animals of an earlier era for the long trips across desert and mountain country which are incidents of a mining engineer and prospector's life.

Chevrolts may be found everywhere about the camp and the picture shown of the two Hortons was made only a short distance from "discovery" and almost in the center of this youthful and thriving community.

Lang Chevrolet Co., Green St. sells this car here.

CHRYSLER EXPECTS BIG EXPORT GAINS

Evidence of pronounced improvement in world trade conditions is seen by Chrysler officials in marked gains which their recent export business has been registering over even the high totals it reached in 1926.

Chrysler overseas sales during March were the largest in any month of the company's history, it is announced, and the first three months of 1927 ran far ahead of any previous Chrysler quarter.

March gains represented an increase of 50.5 per cent over the same month last year, it is stated, while the first quarter of 1927 was 74.1 per cent above the first three months of 1926, which marked a high point in Chrysler exports until the present totals were recorded.

Antoney and Weaver are local agents.

ONLY ONE FAIR

HILLSBORO, O., April 30.—Only one fair will be held in Highland County this year. It will be held at Hillsboro on August 2, 3, 4 and 5 and will be under the direction of the Highland County Agriculture Society, which in the past has been holding its fair at Hillsboro. The Hillsboro Fair Company has dissolved and has turned over its assets to the Agricultural Society.

OIL VERSUS GASOLINE
Kerosene stoves, used popularly where gas is not available, are making great strides not only because of their cleanliness and ease of operation but because of the lack of danger as compared with gasoline stoves. Gasoline being highly explosive, is much more dangerous than the modern oil stove, which uses less volatile fuel and is therefore safer in operation.

NASH AUTO DOLLAR BUYS LARGE VALUE

Figures, which show that the "automobile dollar" today buys \$1.13 worth of value as compared to the "automobile dollar" of 1914, are further emphasized in an analysis of details of refinement and improvement in the construction of the present day motor car.

Never before, say those familiar with motor car construction, has the buyer received so much for his money.

It is pointed out that while the "automobile dollar" today is worth \$1.13, the purchasing power of the "general commodity dollar" is sixty cents, taking the 1914 dollar at a base value of one hundred cents.

While list prices of automobiles today are low, and even lower, than in 1914, Nash cars, for instance, are equipped with many important features, such as 4-wheel brakes, balloon tires, disc wheels, forced-feed lubrication, 7-bearing crankshaft motors, and a wealth of additional mechanical improvements and refinements.

Xenia Motor Sales has the Xenia Nash agency.

BUICK ANNOUNCES NEW SALES MANAGER

Announcement was made today by C. W. Churchill, general sales manager of the Buick Motor Company, of the appointment of

Arthur H. Sarvis to the office of assistant sales manager.

Mr. Sarvis was engaged in newspaper work until 1913, when he became sales manager of the Flint Varulish and Color Works. He entered the employ of the Buick Motor Company in 1919, and for the past several years has been working under the general sales manager as sales service manager, during which period he aided in the development of the present world-wide Buick authorized service facilities which are available in some four thousand towns and cities in the United States, and in practically all foreign countries.

Xenia Garage Co. sells the Buick here.

AUDITOR'S REPORT SHOWS SLIGHT GAIN IN CITY'S BALANCE

City treasury showed a balance of \$31,583.68 December 31, 1926, as compared with a balance of \$31,192.84, including the sinking fund, January 1, 1926, according to the annual financial report prepared by City Auditor T. H. Zell, covering the year 1926.

Receipts for the year amounted to \$250,418.04 and expenditures, \$250,127.20, the report shows.

Receipts in special assessment funds totalled \$13,751.52 including street cleaning assessments, interest on deposits, transfer from waterworks fund, main extension, and sale of waterworks extension

bonds. Expenditures were \$11,475.69.

Total receipts in the waterworks fund were \$80,502.65 with expenditures of \$45,977.87, exclusive of \$1,000 for the purchase of land and \$15,700 in bonds retired.

OLDSMOBILE SHOWS STRENGTH IN TEST

With amateur drivers alternating at the wheel, a stock Oldsmobile Six recently proved to natives of "the other side of the world" the wonderful stamina and craftsmanship that are built into the better American automobiles.

For more than six days and nights without coming to a stop this Oldsmobile ran over a course comprised of all type roads and grades, piling up a mileage of 4,026.

The run was made on North Island, New Zealand, and consisted of two complete circuits of the island, starting and finishing at Auckland. Sixty per cent of the route was through hilly, mountainous country with road surfaces consisting of an assortment of cement, bitumen, metal, dirt and, in many sections, long stretches of deep, greasy mud. The roads varied from the sea level shore of Hawke's Bay to an elevation of 2,625 feet. The longest run on flat land was less than thirty miles. Weather conditions during the run varied from hours of drenching rain to mile after mile over scorching sands.

Bales Motor Sales, W. Second St., sells the car.

HIGH SCHOOL NOTES

The intended Arbor Day program, scheduled for Friday, was called off on account of inclement weather. No future arrangements were made but it is probable the agriculture class will plant the trees in Cox Memorial Athletic Field as previously planned.

A brief but impressive Arbor Day assembly was sponsored by the Junior High School Friday afternoon. Only junior high students attended.

BELLBROOK

Funeral services for James Ave were held at the home Tuesday afternoon and burial made in Bellbrook cemetery.

Col. John H. Wright presided at the J. W. Anthony sale on last Saturday.

Word was received here this week of the death of John Spahr who at one time was a resident of the township.

Mr. and Mrs. Ab Miller and daughter, Thelma, of Dayton, were Sunday guests of Mrs. Miller's father and mother, Mr. and Mrs. G. W. Kinder.

Mr. and Mrs. West and children, of Michigan, were here Tuesday in attendance at the funeral of James Ave.

Bellbrook met defeat at Beavertown last Sunday after a hot fifteen-minute game with the team at that place. Next Sunday they will have for their opponents the crack Dayton Police team who proved superior over the Harsh-

manville team in last Sunday's contest. It is the opening game of the league, both Bellbrook and the Police showed great strength and it is safe to assume that next Sunday's battle will be a hot one.

The game will be played at Harshman and will start promptly at 3 p. m. (Eastern Standard time.)

Following is a list of games to be played on the next nine Sundays.

May 1, Harshman vs. Xenia at Xenia; Bellbrook vs. Police at Harshman; Osborn vs. Beavertown at Beavertown. May 8, Police vs. Xenia at Xenia; Beavertown vs. Harshman at Harshman, and Osborn vs. Bellbrook at Beavertown. May 15, Bellbrook vs. Xenia at Xenia; Police vs. Beavertown at Beavertown, and Osborn vs. Harshman at Harshman. May 22, Beavertown vs. Xenia at Xenia; Osborn vs. Police at Harshman; Harshman vs. Bellbrook at Beavertown. May 29, Osborn vs. Xenia at Xenia; Harshman vs. Police at Harshman; Beavertown vs. Bellbrook at Beavertown. June 5, Xenia vs. Harshman at Harshman; Police vs. Bellbrook at Beavertown; Beavertown vs. Os-

born at Xenia. June 12, Xenia vs. Police at Harshman; Harshman vs. Beavertown at Beavertown; Bellbrook vs. Osborn at Xenia. June 19, Xenia vs. Bellbrook at Xenia; Beavertown vs. Police at Harshman.

Beavertown; Harshman vs. Osborn at Harshman. June 26, Xenia vs. Beavertown at Beavertown; Police vs. Osborn at Xenia and Bellbrook vs. Harshman at Harshman.

Hands are Better Than 1

Ford Transmission Makes Driving Much SAFER AND EASIER

There's a feeling of security in driving a Ford—the advantage of the Ford system of control really means something to the driver.

Ford control is equally distributed between hands and feet. Pedals operate gears and brake. Hands are free for steering and signalling and two hands are better than one, when traffic is heavy.

You are relieved of that feeling of responsibility for the security of others. You know that you can cope with any emergency, easily and surely, when you drive a Ford.

Let us show you the latest Ford cars—many recent refinements have added to their beauty, comfort and operating economy.

"Quality That Outlives The Price"

NASH

Leads the World to Motor Car Value

Add \$50 or \$60 to the down payment on a Four —and get a Nash

Nash 6-cylinder, 7-bearing performance costs little, if any, more than 4-cylinder performance.

You can buy a Nash Light Six enclosed car for as little as \$925 f.o.b. factory—an amazingly low price for a car like this.

For besides the exceptional smoothness of Nash 6-cylinder, 7-bearing performance, the Nash Light Six has every worth-while feature of modern motoring:

Full force-feed lubrication; Nash mechanical 4-wheel brakes, with front wheel brakes totally enclosed. Double-beam headlights; Automatic

windshield cleaner; Rear-view mirror; Gasoline gauge on instrument board.

5 Budd-Michelin steel disc wheels; Alemite chassis lubrication, instead of old-fashioned grease cups.

Air cleaner and oil filter to seal the engine; steering gear especially engineered for balloon tires.

And, in closed car bodies, genuine hardwood frames with rounded rear roofs like the costliest custom cars.

You can buy this car for about the same price as one of the higher priced fours. At the most, you'll only need to add \$50 or \$60 to your first payment.

NEW FIREMAN NAMED AND TWO PROMOTED; FISHER IS CAPTAIN

In the latest re-organization of the Xenia Fire Department, William Bowermaster was appointed regular fireman Saturday by City Manager S. O. Hale, filling the vacancy caused by the recent resignation of Captain Roy Ireland.

Bowermaster has had 10 years' experience as a special fireman and is also able to drive any of the fire trucks. The appointment is effective May 1.

Manager Hale also notified Fire Chief William Hanifan of the promotion of Lieutenant Herman Fisher to be captain and the elevation of Kenneth Dice to the position of lieutenant.

Fisher has been lieutenant since last June and Dice has been a regular fireman since that time, when the first re-organization of the personnel of the department followed the resignation of Fire Chief T. B. Claiborne. Fisher has served for more than two years and prior to becoming a regular fireman, was a special fireman for a time.

Bowermaster passed a satisfactory civil service examination and was certified with two other eligible applicants for appointment, by the Civil Service Commission in June, 1926.

His probation period will end August 1, 1927, after which the appointment will be made permanent if the arrangement proves satisfactory.

FORD TRUCK SALES SHOWING BIG GAIN

With a large number of Ford dealers making some of their largest truck and equipment deliveries in the history of their businesses, Ford truck sales in many states are enjoying tremendous majorities over those of the nearest competitor, reflecting the exceptionally healthy ton truck, commercial and industrial business being secured by the Ford dealers. Practically all of the business is obtained after close investigation makes positive that the Ford truck operating and upkeep costs are lowest over a given period.

There are many states showing new Ford truck sales substantially greater than those of the nearest competitor, but let us quote authentic statistics covering states where purchases were so predominantly Ford that they are well worth emphasis, not only to the Ford dealer, but for the especial benefit of the truck sales workers who can use these figures to advantage with certain prospects who require more real facts on the trend of the new ton truck business.

Bryant Auto Sales sells Ford products in Xenia.

10:45 a. m., worship and sermon. Theme of sermon: "As Christians Are We Meeting the Needs of the Community?" This will be a second of a series of sermons on "Christ Meeting the Needs of His Day." A cordial invitation to all who worship at this home-like church.

3:00 p. m., this will be James

town day, and Rev. L. W. Johnson, pastor of the Zion Baptist Church at Jamestown will preach. Do not miss the opportunity of hearing him. Last Lord's Day was Yellow Springs day and they were had a large audience to greet him. Come and do likewise this Lord's Day.

6:30 p. m., B. Y. P. U. Mrs. Elizabeth Simms, president, and Mrs. Dorothy Wynn, vice president. This service will prove no exception to the other mentioned services in point of interest. Come on time. Watch for full program.

7:45 p. m., worship and sermon. Theme of message: "Did You Receive an Invitation to the Feast? If So, Are You Going?"

This coming Friday evening, May 6, will be the Ohio Penitentiary Quartette evening. I am sure you will avail yourself of the opportunity of hearing this wonderful quartet. The trustees will have charge of the affairs. J. F. Turner, chairman trustee board, J. I. McCormick, clerk.

Keep in mind the coming of "The Dust of the Earth," on Friday evening, May 20.

C. M. E. MISSION

East Main St.

Sunday School 9:30 a. m.

Preaching, 11 a. m.

Afternoon service, 3 p. m.

Evening Service, 8:30 p. m.

Rev. H. Scott will worship with, and preach for us at 11 o'clock.

Come out and hear him, we welcome the public. You will enjoy our mid-week surprise service, every Wednesday evening at 7:30 o'clock. We are still reminding the members, if they ever expect to have a church, they must perform their duty, this, they cannot do by staying home and praying that God will do the work that he has commissioned every believer, life is too short to waste, 'twill soon be dark, up mind thine aim, God speed the mark.

ST. JOHN'S A. M. E. CHURCH

R. E. Hutchison, Pastor

Special services have been arranged for Sunday. All parents are expected to be present with their children. The pastor will preach at 10:45 a. m. from Eph. 6:4. Eph. 6:1 "Ye fathers, provoke not your children to wrath, but bring them up in the nurture and admonition of the Lord. Children obey your parents in the Lord. For this is right." Subject: "Relative Duties of Parents and Children."

Special feature, solo, Olanda Johnson, after which an old fashioned general class meeting will be witnessed.

12:30 p. m. Sunday School. Special features: recitations, Misses Catherine Connors and Audrey Jones, W. S. Rogers, Supt.

7:00 p. m. A. C. E. League with program in charge of Florence Goldson, Miss Venzella Scoury, Pres.

8:00 p. m. preaching by the pastor. Everybody welcome. The two thousand dollar rally has been postponed from the first

Chrysler "60" prices—
Touring Car, \$1075; Club Coupe, \$1125; Coach \$1145; Roadster (with rumble seat), \$1175; Coupe (with rumble seat), \$1245; Sedan, \$1245.

F. O. B. Detroit, subject to current Federal excise tax.

Chrysler dealers are in position to extend the convenience of time payments. Ask about Chrysler's attractive plan. All Chrysler cars are protected against theft under the Fedco System of numbering.

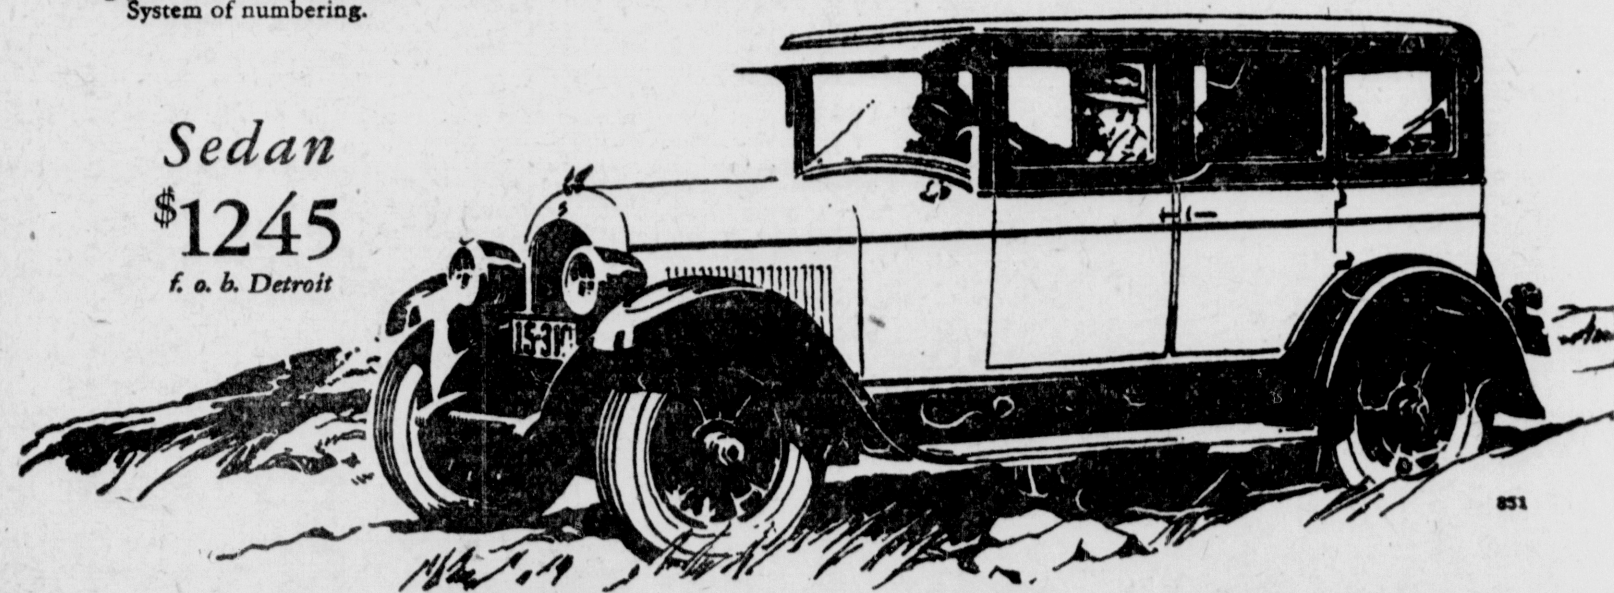

Its tremendous popularity is evidence that the Chrysler "60" offers a type of performance so utterly different as to stamp it unique in its field and at its price.

The public has enthusiastically preferred its outstanding qualities of dash and vigor and aliveness and riding comfort—and while this success was early assured, it was never for an instant expected to assume the startling proportions

of Chrysler "60" sales today.

Drive the Chrysler "60" yourself and you'll instantly appreciate the unique character of its performance.

You'll realize then why public preference of its smooth 60-mile-an-hour performance, its economy, its easy steering, its smooth riding and its safety, has played such an important part in raising Chrysler from 27th to 4th place in three years.

MOTORDOM

YOU'LL NEVER BE SURE TILL YOU DRIVE AN OLDSMOBILE

No matter how confident you may be that a certain car is the one you want to buy, you can't be sure till you compare it with others at about the price you wish to pay.

So come to your Oldsmobile showroom and go over this truly great car point by point. "Be sure you're right, then go ahead." But you'll never be sure till you drive an Oldsmobile.

The Most
Beautiful Chevrolet
in Chevrolet History

The Coach

Compare it for

Appearance

Only in cars much higher in price will you find such smartness of line, such beauty of design and such elegance of appointment as in the new Chevrolet! Compare its appearance with that of any car at anywhere near Chevrolet's low prices—and then you will know why it has everywhere been acclaimed as the Most Beautiful in Chevrolet history!

Performance

The performance of the new Chevrolet is literally amazing. Incredible smoothness at every speed—flashing acceleration that is a delight—effortless shifting of gears—finger-tip steering—remarkable ease of parking. One ride at the wheel, and you will understand why the new Chevrolet has been the greatest sensation of America's greatest industry!

Price

Comparison of delivered prices reveals Chevrolet's value supremacy. Delivered prices are f. o. b. prices plus charges for handling, financing, etc. The financing charges of General Motors Acceptance Corporation are the lowest available. Handling charges are in proportion. Thus, Chevrolet delivered prices are even more amazing than the f. o. b. prices.

New Fisher Bodies, beautifully beaded and paneled; Polished nickel-plated hardware; Smart new Duco Colors; Full-crown, one-piece fenders; Bullet-type headlamps; Higher, more massive radiator; Cowl Lamps; "Fish-tail" modeling of rear decks on 2-passenger models.

Valve-in-head motor; Three-point Motor Suspension; Strong and sturdier frame; Single-plate disc-clutch; Long, semi-elliptic springs; Full size 17-inch steering wheel; Balloon tires; Deeply upholstered cushions; Semi-reversible steering gear; AC Air Cleaner; AC Oil Filter.

The Coach \$595
The Touring or Roadster \$525
The Coupe \$625
The 4-Door Sedan \$695
The Sport Cabriolet \$715
The Landau \$745
1/2-Ton Truck \$395
1-Ton Truck \$495
(Chassis Only)
All prices f. o. b. Flint, Michigan. Balloon tires standard equipment on all models.

ANSWERS

1. Commander Noel Davis and Lieutenant Wooster were killed when their plane, the American Legion, crashed at Messick, Va., on the last trial flight with full load before attempting the New York-Paris hop.

2. Almee Semple McPherson, woman evangelist, is confronted by revolt in her following. Her choir leader and many others have left the Angelus Temple congregation.

3. Byron Summers has lowered the San Pedro channel swim record made by George Young in the Whigley \$25,000 marathon swim.

4. American army airmen who have been on a tour of Latin-America, known as the Good Will Tour, have returned to this country.

5. William Marconi's intentions of having accounts Marie Beard, Seal of the papal nobility as soon as his present marriage is dissolved have been rumored.

6. President Coolidge recently delivered an address at a gathering of newspaper men at New York.

THIRTY THREE NEW CHEVROLETS HERE

Lang Chevrolet Co., Green St., brought thirty-three new Chevrolet autos to Xenia Friday in what is said to be the largest drive ever brought here.

The cars were brought here from Cincinnati, being driven by a number of Xenia youths employed by Fred W. Lang, of the agency.

Twenty-three of them are sold and scheduled for immediate delivery and the others will be placed in the agency show room here.

FUN FOR THE WHOLE FAMILY

The WAY I FEEL ABOUT IT

A THOUGHT FOR TODAY
The lack of temptation is the root of much virtue.

EPH SNOW
"Most of the happiness you ascribe to the 'good old days' is really ascribable to a failing memory," observes Eph Snow.

QUERY
I tried today to write a song expressive of the season. But then a redbird came along and shamed me out of reason.

It perched upon a greening tree and sang in tones ecstatic a madrigal, a melody that paled my verse phlegmatic.

THE ONE HUNDRED PERCENTER
A 100 per cent American is one who believes that the 9,000 Yankee sailors and marines in China can lick the 400,000,000 Chinese if necessary.

ANYWAY, LOWDEN'S WILLING
That typographical error in a metropolitan newspaper which referred to it as the "Lowder" presidential boom may turn out to be prophetic.

BUT GOOD INTENTIONS
The road to success is filled with bad intentions.

A SHORT STORY
A retired naval officer, now in Washington, says that a good many years ago sailors on shore leave at San Francisco sometimes wandered into old Chinatown, a district that since has been cleaned up. On such an occasion a sailor from a battleship whose leave had been overstay three days finally was rounded up in a Chinese dive by a detail from ship, and dragged before a summary naval court.

"It would have been bad enough," the chief court officer stormed at the culprit, "if you had been found in a white resort, but I can think of nothing lower than

a white American sailor disgracing his uniform by associating with yellow opium smokers and worse. What is your defense?" "Sir," replied the sailor with apparent meekness, "my only defense is that part of the charge is that I am color blind."

WHO REMEMBERS
When any tramp who called at the back door for a handout was made to saw a certain amount of wood before he was permitted to eat?

IN OUR TOWN
The Weekly Clarion was pretty shy of news this week, owing to the unavoidable detention of its printer in jail.

THE POINT OF VIEW
A cat chasing its tail is held up as the best example of foolishness. But since nobody ever has been a cat, how can anybody know how much fun a cat may have doing it?

MINOR MUSINGS
An employee's smile often is the best insurance against "fire."

The real mission of a restaurant orchestra is to make you forget the size of the bill.

Nearly every candidate knows that at times the "common people" have a perfectly disgusting way of refusing to think him uncommon.

"Propaganda" is any argument we don't like.

No use worrying about the short skirt—it won't be with us long.

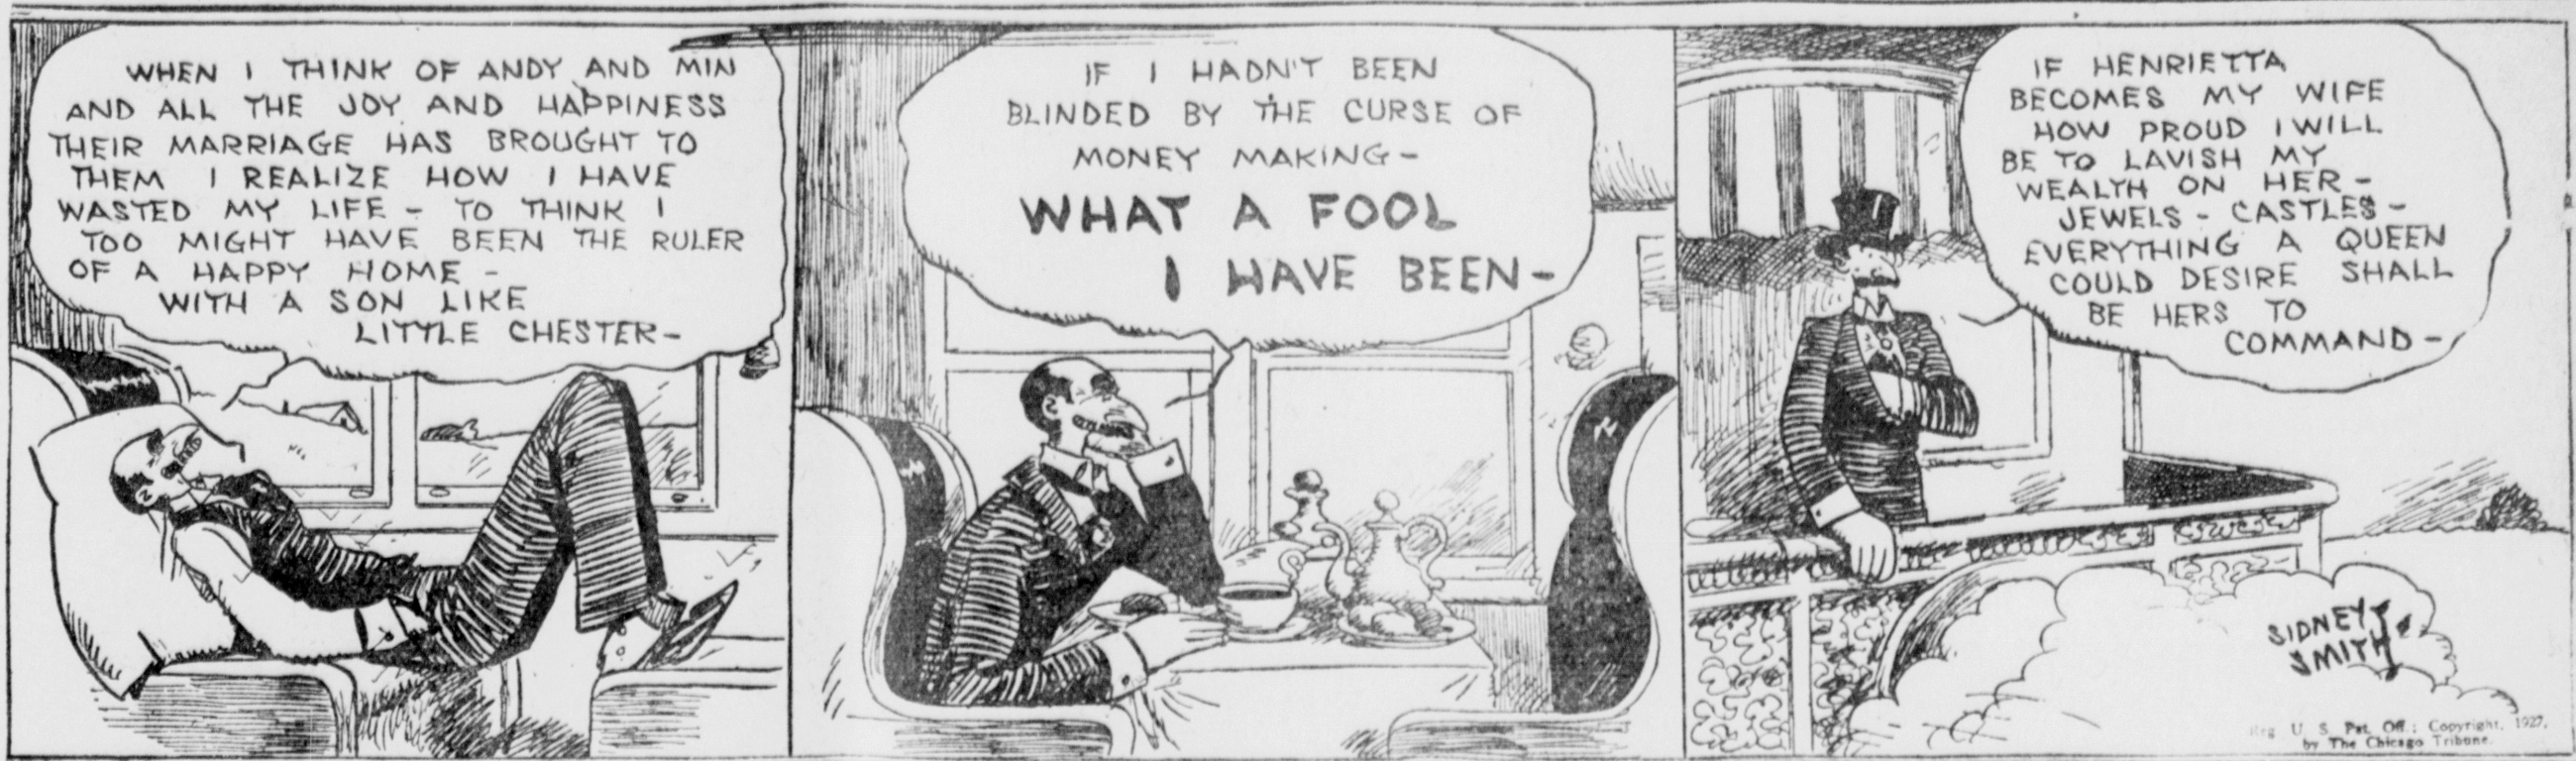

Nothing sends a radio fan up in the air like failing to get a certain station out of the air.

The season has arrived when men's law cutting vies in importance with women's hair cutting.

There is a good deal of alarm among the powers, which fear China is taking her queue from Russia.

VERRULES LOWER COURT; PETITION AMENDED IN CASE

With the consent of all parties involved through counsel, Common Pleas Judge R. L. Gowdy overruled the judgment of Probate Court on the exceptions to the inventory and appraisal of the estate of the late William C. Hallisy, and setting aside the judgment, confirmed the inventory and appraisal. W. C. Hallisy, Jr., was represented by counsel.

MADE PARTY DEFENDANTS

In the case of the People's Building and Savings Co., against Frank Archer, Nancy Archer and John T. Barnett and others in Common Pleas Court, Frank Stewart and Frank Burr, partners, doing business as Stewart and Burr, undertakers, also named party defendants, claiming a lien on property described in the petition.

CASE DISMISSED

Suit of Eliza H. Harness against Henry F. Street and others, has been dismissed, according to an entry filed in Common Pleas Court.

NAMED ADMINISTRATRIX

Stella Gennier has been appointed administratrix of the estate of Samuel Gennier, late of Heaver-creek Twp., in Probate Court, with \$500 bond. George Toms, Frank Cus-tenbender and Charles Graham were named appraisers.

APPOINTED GUARDIAN

Joseph Copenhefer was named guardian of the estate of Sue E. Copenhefer, an incompetent person with \$2500 bond in Probate Court.

EXECUTRIX NAMED

Sarah Jane O'Connell has been named executrix of the estate of Michael O'Connell, deceased, bond being dispensed with, in Probate Court. Thomas Andrews, Frank E. Dean and Ora Turnbull were named appraisers.

HEARING SET

Application filed in Probate Court to admit to probate the will of Eliza E. Finney, deceased, will be given a hearing May 4 at 9 a. m.

MARRIAGE LICENSES

Andrew Thomas Cerray, Dayton, O., salesman, and Mamie Evelyn Moorman, 136 S. Detroit St., Xenia, Rev. V. P. Brown.
Earl Baker Nelson, Jamestown, laborer, and Mary Perry, Dayton St., Yellow Springs, Rev. Murdock, Jamestown.

SOFT BALL LEAGUE TO BE INAUGURATED

Kiwanis and Rotary Club teams meet in the season's inaugural game of the newly formed soft ball league, at Cox Memorial Athletic Field Monday afternoon.

Other games scheduled for the first round next week include contests between the junior and senior business men's teams Thursday afternoon, and the Boy Scouts and Central High School Friday afternoon.

MEET CALLED OFF
Due to a drenching rain Friday afternoon, the triangular track meet between the University of Dayton, and Wilmington and Antioch Colleges at the Dayton stadium, was postponed until Tuesday, May 3.

BASKETBALL SHOWS PROFIT FOR SEASON

Basketball at Central High School showed a substantial profit during the 1926-27 season, according to Principal Spencer Shank.
After all obligations incurred in basketball and football campaigns in the immediate previous years had been met with receipts from the basketball season, it was found a balance estimated at \$250 remains in the fund. This is also exclusive of spring athletic equipment recently purchased.
This is the first time in a number of years this has occurred, and reflects the increased patronage of the home games.

CEDARVILLE MEETS UNBEATEN DAYTON 9

Cedarville College baseballers faced the difficult assignment Saturday afternoon of playing the strong University of Dayton nine on the Dayton diamond.
Dayton has not lost a baseball game in two years and will be trying for its twentieth straight win, besides the sixth of the current season.
Shorty Sharpenter was to oppose Nagley of Cedarville on the mound at 2:30 o'clock. Cedarville has a percentage of .500 this season, winning one game from Wilberforce and then dropping a return encounter.

IT PAYS

We are frequently asked if it pays to spend so much time in reconditioning and inspecting our used cars before they are offered for sale. The answer is that a great many of our used car purchasers come back when they want new cars. Doesn't that pay?

Johnston Motor Sales

A USED CAR IS ONLY AS DEPENDABLE AS THE DEALER WHO SELLS IT

The Tiffany of Low-Priced Cars

Star owners can now be as proud of their cars as Locomobile owners are of theirs

—because style and smartness in a motor car are matters of design rather than of price. And in addition to the fineness of the Star you get a power plant such as you probably never expected to find in a low-priced car.

All we ask is that you DRIVE A STAR before you decide that any other low-priced car is "just as good." Then buy the car that suits you best.
